THE CANDIDATES FOR DEGREES IN COURSE

ACADEMIC HERALDRY

The caps, gowns, and hoods worn today by participants in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned the bachelor's degree wear a gown with semistiff yoke, long pleated front, intricate shirring across the shoulders and back; the gown is also distinguished by long, pointed sleeves. The holders of the master's degree wear a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color distinctive of the field of learning represented by the degree.

Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Hunter College are purple and white. The border of the hood is velvet, and its color signifies the field of learning to which the degree pertains, as follows:

Arts and Letters	<i>White</i>	Philosophy	<i>Dark Blue</i>
Business Administration	<i>Drab</i>	Physical Education	<i>Sage Green</i>
Economics	<i>Copper</i>	Public Administration	<i>Peacock Blue</i>
Education	<i>Light Blue</i>	Public Health	<i>Salmon Pink</i>
Fine Arts	<i>Brown</i>	Science	<i>Golden Yellow</i>
Medicine	<i>Green</i>	Social Science	<i>Cream</i>
Music	<i>Pink</i>	Social Work	<i>Citron</i>
Nursing	<i>Apricot</i>	Speech	<i>Silver Grey</i>
