Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common are:

<i>Arts, Letters, Humanities</i>	White	<i>Medicine</i>	Green
<i>Business</i>	Sapphire Blue	<i>Pharmacy</i>	Olive
<i>Education</i>	Light Blue	<i>Philosophy</i>	Dark Blue
<i>Engineering</i>	Orange	<i>Science</i>	Golden Yellow
<i>Law</i>	Purple	<i>Theology</i>	Scarlet
