

Hunter College

OF THE CITY UNIVERSITY OF NEW YORK
FOUNDED 1870

162nd Commencement Exercises

THURSDAY, JANUARY 24, 1991
HUNTER COLLEGE ASSEMBLY HALL

Regina Resnik

Doctor of Humane Letters,
Honoris Causa

Regina Resnik, world-renowned diva of the Metropolitan Opera, majored in music at Hunter College and appeared in numerous College musical productions. In 1942, the year she graduated from Hunter, she also made her professional debut. Two years later, she was hailed for her "stellar" performance in *Il Trovatore*, in her debut with the Metropolitan Opera, and she has since received resounding ovations in all the great opera houses of the world. During her 49-year career, she has sung 82 major roles and has been praised always for her intelligent musicianship, superb acting ability, artistic daring and exceptional beauty of voice.

During her remarkable career as a singer Regina Resnik has also displayed extraordinary versatility. She has directed 14 operas in 10 different countries; produced an award-winning television documentary; and has taught master classes in the United States and major European cities. In 1988, she won a Tony nomination for her role in *Cabaret*. Last year, she starred in a critically acclaimed New York City Opera production of *A Little Night Music*.

Throughout her distinguished career, Regina Resnik has never forgotten that she got her start in New York. And she has never forgotten Hunter College. On the 25th anniversary of her debut with the Metropolitan Opera, she instituted the Regina Resnik Scholarship Fund, which provides awards to talented and needy Hunter College music students. Currently, she serves as special consultant on cultural affairs to the President of Hunter College.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common including those used at Hunter College are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences & Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

The Ceremony

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The walking stick carried by Provost Struminger belonged to Thomas Hunter and bears the following inscription on its gold head: "To Prof. Thomas Hunter, Ph.D.-- A former pupil's tribute of respect. 1879."
