ACADEMIC HERALDRY

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences & Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

HISTORICAL NOTES

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The walking stick carried by Acting President Blank belonged to Thomas Hunter and bears the following inscription on its gold head: "To Prof. Thomas Hunter, Ph.D.—A former pupil's tribute of respect. 1879."

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
