THURSDAY, JANUARY 29, 1998  
HUNTER COLLEGE ASSEMBLY HALL

*Margaret A. Dixon*

**Margaret A. Dixon** was named president of the American Association of Retired Persons, the nation's leading organization for persons over 50, in 1996. Her previous posts in AARP included those of vice president, spokesperson for the organization's minority-affairs initiative, trustee of an investment program and a health insurance trust, and a member of the board of a major gerontology center in California. She holds an M.A. in special education from Hunter College and an Ed. D. from Nova Southeastern University in Fort Lauderdale, Florida, and she worked in the New York City public-school system for 26 years — as an elementary school teacher, assistant principal, principal, and director of several special programs. As a New York City educator she taught physically challenged students, was director of a computer-assisted early learning program, and developed an innovative bilingual program for elementary school students.

*Hon. Peter F. Vallone*

**Peter F. Vallone**, Speaker and Majority Leader of the New York City Council, has long been an advocate of efficient government. His concerns for the quality of life in the city helped establish the "Safe Streets/Safe City" program. Recently, he secured a \$1.4 billion increase in the capital budget to help repair and rebuild the city's schools. To encourage the pursuit of academic excellence, Mr. Vallone recently proposed that CUNY charge half-price tuition for two years for students who maintain an average of B or better. He has been a strong supporter of new anti-discrimination in the workplace guidelines, legislation protecting access to women's health clinics, and campaign finance reform. Mr. Vallone, a lifelong resident of New York City, was first elected to the City Council from his home borough of Queens in 1974. He has served the Council ever since and, after being elected Majority Leader in 1986, became Speaker in 1991.

## Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i> .....	White
<i>Business</i> .....	Sapphire Blue
<i>Education</i> .....	Light Blue
<i>Engineering</i> .....	Orange
<i>Health Sciences</i> .....	Kelly Green
<i>Law</i> .....	Purple
<i>Medicine</i> .....	Green
<i>Nursing</i> .....	Apricot
<i>Pharmacy</i> .....	Olive
<i>Philosophy</i> .....	Dark Blue
<i>Sciences &amp; Mathematics</i> .....	Golden Yellow
<i>Social Sciences</i> .....	Dark Blue
<i>Social Work</i> .....	Citron
<i>Theology</i> .....	Scarlet

## Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The walking stick carried by President David A. Caputo belonged to Thomas Hunter and bears the following inscription on its gold head: "To Prof. Thomas Hunter, Ph.D. — A former pupil's tribute of respect. 1879."

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
