She was elected to the Hunter Hall of Fame in 1992 and was awarded the President's Medal of Hunter College in 1994.

*Gordon Parks*

**Gordon Parks** is one of the most esteemed photojournalists of our time. A former staff photographer for *Vogue* and *Life* magazines, he has produced bold and compelling works that have depicted New York City gang members, slum life in Rio de Janeiro, and the militants of the civil rights movement; captured the height of Paris fashion; and immortalized great artists and statesmen, from Ingrid Bergman to Winston Churchill. In recent years he has turned to color abstract work of remarkable, mystical intensity. A storyteller as well as an artist, Mr. Parks has had a career extending well beyond the camera; he is an acclaimed poet, filmmaker, writer, and composer. The author of fifteen books, including *Voices in the Mirror*, *Half Slave, Half Free*, *A Poet and His Camera*; and *Glimpses Toward Infinity*, he has also written numerous screenplays and directed six films, including *Shaft*.

*Dr. Manning Marable*

**Dr. Manning Marable**, Professor of History and Director of the Institute for Research in African-American Studies at Columbia University, writes a syndicated column, "Along the Color Line," which appears in over three hundred newspapers and journals. Dr. Marable's many books include *Beyond Black and White*, *The Crisis of Color and Democracy*; and *How Capitalism Underdeveloped Black America*. His newest books, *Black Leadership: Ideology, Politics, and Culture in African-American History* and *African-American Thought*, are about to be published. Dr. Marable has been featured on *CBS News*, *MTV*, *Newstalk Television*, *The Today Show*, and other media programs. His current projects: editing the Institute's journal, *Race and Reason*, and conducting a national public opinion survey on African-American political viewpoints.

## Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i> .....	White
<i>Business</i> .....	Sapphire Blue
<i>Education</i> .....	Light Blue
<i>Engineering</i> .....	Orange
<i>Health Sciences</i> .....	Kelly Green
<i>Law</i> .....	Purple
<i>Medicine</i> .....	Green
<i>Nursing</i> .....	Apricot
<i>Pharmacy</i> .....	Olive
<i>Philosophy</i> .....	Dark Blue
<i>Sciences &amp; Mathematics</i> .....	Golden Yellow
<i>Social Sciences</i> .....	Dark Blue
<i>Social Work</i> .....	Citron
<i>Theology</i> .....	Scarlet

## Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The walking stick carried by President David A. Caputo belonged to Thomas Hunter and bears the following inscription on its gold head: "To Prof. Thomas Hunter, Ph.D. — A former pupil's tribute of respect. 1879."

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
