Dear Member of the Class of 2003:

Congratulations, graduate! You have reached a most significant milestone in your life. Your hard work, determination and commitment to your education have been rewarded, and you and your family should take pride in your accomplishments and success. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially and technologically. You are part of the next generation of thoughtful, responsible, intelligent leaders who will make a real difference whenever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter's commitment to community, diversity and service to others.

We look forward to hearing great things about you, and hope you will stay connected to exciting activities and developments on campus. Please remember Hunter College and know that you will always be part of our family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is written in dark ink and is positioned above the printed name and title.

COMMENCEMENT HONOREES

William C. Thompson, Jr. (Commencement Speaker; President's Medal)

As the 42nd Comptroller of the City of New York, William C. Thompson, Jr. leads the office responsible for ensuring the financial health of New York City. With authority to audit all city agencies, manage pension funds and oversee the city's issuance of debt, among other powers, Comptroller Thompson plays a critical role in keeping the city fiscally sound. He has emerged as a leader in the fight for reforms in corporate accounting and reporting practices, and has undertaken aggressive audits which revealed substantial actual and potential savings in the city's operations. A strong advocate for New Yorkers, Comptroller Thompson produced the most exhaustive and definitive measure of the devastating economic fallout from the September 11, 2001 terrorist attacks, and he has repeatedly called on the federal and state governments to provide the city its fair share of financial aid. He is also investing in New York City with major housing initiatives in low- and moderate-income neighborhoods.

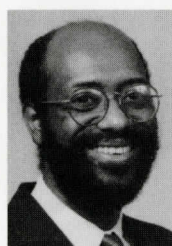

A lifelong New Yorker, Comptroller Thompson is the son of a judge and a public school teacher and is the proud product of New York City public schools. A graduate of Tufts University, William Thompson has a long history of public service, highlighted by his appointment as the youngest ever Deputy Borough President (Brooklyn) and his five-term tenure as President of the New York City Board of Education.

Sidney A. McNairy, Jr., Ph.D., D.Sc. (Honorary Doctor of Humane Letters degree)

Dr. Sidney A. McNairy, Jr., a noted teacher, researcher and administrator in the health sciences, is currently the Director for Research Infrastructure in the National Center for Research Resources (NCRR), National Institutes of Health (NIH), in Bethesda, MD. During his tenure at NIH, Dr. McNairy has been a driving force behind innovative programs supporting the development of the biomedical research infrastructure at both emerging and research-intensive biomedical research institutions, including minority health, graduate, and undergraduate schools throughout the United States. Through the support provided by these programs, a number of research advances have emerged, many of which are of great value to the people of this nation, especially underserved communities. His efforts have also provided support for K-12 science education and programs in science museums around the country, enhancing the science literacy of the general public.

Dr. McNairy has received numerous awards and honors, including an honorary doctorate from Texas Southern University; and the NIH's Director's award. He was also appointed to the federal government's Senior Executive Service. He received his bachelor's degree from LeMoyne-Owen College in Memphis, TN, and his master's and doctoral degrees at Purdue University.

Bogart R. Leashore, Ph.D. (President's Medal)

Dr. Bogart R. Leashore has served as Dean of the Hunter College School of Social Work since 1991. During his tenure, he has guided, directed and enriched the school with vision, skill and passion. He has encouraged the development of new programs, helped to secure support for two renowned resource centers, one locally funded and the other by the federal government, and introduced advanced technology, including the creation of a distance learning center, which to date has provided graduate social work courses to over 2,000 city and other social service workers.

Over the course of his twelve years at Hunter, Dean Leashore has held leadership positions in professional organizations, including the presidency of the National Association of Deans and Directors of Schools of Social Work. In addition, he has served as a member of the Board of Trustees of the Children's Aid Society and on advisory boards established by the Mayor and the Manhattan Borough President.

Dean Leashore received a BA degree from Xavier University of Louisiana, a master of social work degree from Howard University, and a Ph.D. in social work and sociology from the University of Michigan. Dean Leashore is a native of Selma, Alabama, where he will return upon his retirement.

Dear Alumnus/a:

Congratulations! You have read hundreds of books and Web pages and written scores of papers, presentations, analyses, and reports—and now you can claim your reward. You have earned a degree from one of the finest colleges in the nation, and you have every right to be proud.

As a Hunter graduate you automatically become a life member of the Alumni Association of the college, and I am delighted to welcome you. We are your official liaison to Hunter and we are eager to keep you informed of developments at your alma mater.

We are also eager to see you. The Alumni Association sponsors a host of events and projects for students and alumni, and we hope you will take advantage of many of them; we think you will find them exciting, thought-provoking, and useful. Among the association's initiatives are scholarships, lectures, workshops, book clubs, the Alumni Hall of Fame, regional chapter events, the fall alumni luncheon, and the annual birthday luncheon held each spring.

Areas and services available to Hunter alumni include:

Main Library (68th Street Campus)	212-772-4146
Health Professions Library	212-481-5117
Social Work Library	212-452-7076
Recreational and Gym Facilities	212-772-4912
Instructional Computing Services	212-650-3272
Chanin Language Center	212-772-5700
Career Development	212-772-4850

Since you will need an alumni card for some of these services, please come to our office in E1314 to get your card—and please bring your transcript or other proof of graduation.

We will continue to contact you regularly, and we hope you will be in touch with us. Please send us news about your life and your career, and please let us know your new address if you move. You can reach us by telephone at (212) 772-4087; by e-mail at alumni@hunter.cuny.edu; and by mail at Alumni Association, 1314 East Building, Hunter College, 695 Park Avenue, New York, NY 10021.

On behalf of your fellow alumni—more than 80,000 strong—I am very happy to congratulate you, welcome you to the Alumni Association, and wish you a future that is rewarding in every way.

Cordially,

Jacqueline G. Wilson
President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
