## **Eliot Spitzer, Commencement Speaker & President's Medal Recipient**

As New York State's 63rd attorney general, Eliot Spitzer has advanced initiatives to make New York a national leader in investor protection, environmental stewardship, labor rights, personal privacy, public safety and criminal law enforcement. He spearheaded the investigations into Wall Street practices that led to a historic \$1.4 billion global settlement between regulators and 10 Wall Street firms and recently launched an investigation into the trading practices of the mutual-fund industry.

His investigations have been the catalyst for dramatic reform in the nation's financial services industry, leading *Time* magazine to name him Crusader of the Year in 2002.

He served as an assistant district attorney in Manhattan from 1986 to 1992, where he prosecuted organized crime and political corruption cases as chief of the Labor Racketeering Unit. He clerked for United States District Court Judge Robert W. Sweet and worked as a litigator at two of the nation's most prestigious law firms, Paul

Weiss, Rifkind, Wharton and Garrison and Skadden, Arps, Slate, Meagher and Flom. He also was a partner at Constantine & Partners.

A native New Yorker, Attorney General Spitzer received a BA degree from Princeton University and a JD from Harvard Law School, where he was an editor of the Harvard Law Review.

ALAN PERLMAN

## **William J. vanden Heuvel, Honorary Degree Recipient**

William J. vanden Heuvel is a distinguished international lawyer, investment banker, and philanthropist who served as deputy United States permanent representative to the United Nations in New York and as U.S. representative to the European office of the United Nations in Geneva.

Currently the co-chair of the Franklin and Eleanor Roosevelt Institute, Ambassador vanden Heuvel has been instrumental in helping to renovate Hunter College's Roosevelt House, the future home of the Hunter College Public Policy Institute. Ambassador vanden Heuvel is also of counsel to the law firm of Stroock & Stroock & Lavan, as well as senior advisor to the investment banking firm Allen & Company.

Ambassador vanden Heuvel began his public career as executive assistant to William J. (Wild Bill) Donovan during General Donovan's tenure as United States ambassador to Thailand. He served as special counsel to New York Governor Averell Harriman and as special assistant to U.S. Attorney General Robert F. Kennedy.

A graduate of Cornell University and the Cornell University Law School where he was editor-in-chief of the Law Review, William J. vanden Heuvel holds honorary degrees from Hofstra University and Roosevelt University. He has written and lectured extensively on American foreign policy.

Dear Alumnus/a:

Congratulations! You have read hundreds of books and Web pages and written scores of papers, presentations, analyses, and reports—and now you can claim your reward. You have earned a degree from one of the finest colleges in the nation, and you have every right to be proud.

As a Hunter graduate you automatically become a life member of the Alumni Association of the college, and I am delighted to welcome you. We are your official liaison to Hunter and we are eager to keep you informed of developments at your alma mater.

We are also eager to see you. The Alumni Association sponsors a host of events and projects for students and alumni, and we hope you will take advantage of many of them; we think you will find them exciting, thought-provoking, and useful. Among the association's initiatives are scholarships, lectures, workshops, book clubs, the Alumni Hall of Fame, regional chapter events, the fall alumni luncheon, and the annual birthday luncheon held each spring.

Areas and services available to Hunter alumni include:

## Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i> .....	White
<i>Business</i> .....	Sapphire Blue
<i>Education</i> .....	Light Blue
<i>Engineering</i> .....	Orange
<i>Health Sciences</i> .....	Kelly Green
<i>Law</i> .....	Purple
<i>Medicine</i> .....	Green
<i>Nursing</i> .....	Apricot

<i>Sciences and Mathematics</i> .....	Golden Yellow
<i>Social Sciences</i> .....	Dark Blue

## Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
