COMMENCEMENT HONOREES

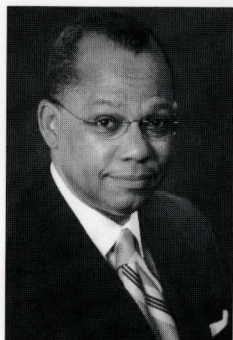

Evelyn H. Lauder, Hunter '58, Recipient of Doctorate of Humane Letters

Shortly after her marriage to Leonard A. Lauder, now chairman of The Estée Lauder Companies, Evelyn Lauder was persuaded to join the family cosmetics business by her famous mother-in-law, Estée Lauder. In the 30-plus years since then, she has held many positions with the company while contributing invaluable insights about fashion trends, consumers' changing needs, and innovative approaches to product development.

However, she is perhaps best known for her formidable role in the battle to defeat breast cancer. Passionately committed to finding ways to cure and even prevent this disease, Mrs. Lauder has raised well over \$100 million for treatment and research initiatives. Beginning in 1989, she led the fund-raising drive that established the Evelyn H. Lauder Breast Center at Memorial-Sloan Kettering Cancer Center, a model for similar facilities around the world. In 1993, she began The Breast Cancer Research Foundation, which awards grants to fund clinical and genetic research. Mrs. Lauder has also spearheaded The Estée Lauder Companies Breast Cancer Awareness Campaign, a worldwide effort which seeks to spread the message that early detection saves lives.

Mrs. Lauder is also a dedicated photographer whose work is in the Brooklyn Museum of Art, The Whitney Museum of American Art, leading medical facilities, and many private and public collections.

Among Mrs. Lauder's many honors are France's Legion of Honor, the Spanish Institute's Gold Medal, and achievement awards from major trade organizations.

Rev. Dr. Calvin O. Butts, III, Commencement Speaker and Recipient of President's Medal

Calvin O. Butts has been pastor of the Abyssinian Baptist Church in New York City since 1989. One of the most renowned churches in the nation, Abyssinian Baptist has a long tradition of advocacy and of leadership in the effort to create a dynamic community in Central Harlem, where the church is located.

Dr. Butts is also president of SUNY College at Old Westbury. Named president in 1999, he has guided the college as it increased its enrollment, engaged additional full-time faculty, and expanded student services.

Active in the struggle to end racial discrimination, Dr. Butts, as president of the Organization of African American Clergy, led the fight against police brutality in New York City and spearheaded boycotts against other institutions for racist policies.

Dr. Butts also established the Abyssinian Development Corporation, which has worked to develop affordable housing and revitalize the economic base in Harlem. He has been a leader of a host of other education and service initiatives, has taught at City College and Fordham University, and is president of the Council of Churches of New York City.

Dr. Butts earned his BA in philosophy from Morehouse College in Atlanta, a master of divinity degree from Union Theological Seminary, and a doctorate of ministry in church and public policy from Drew University. His more than 1,000 honors and commendations for community activism include being named a Living Treasure by the New York City Chamber of Commerce and Industry.

American Planning Association New York Metro Chapter Robert Weinberg Award

Michael Dominelli

Dear Alumnus/a:

Congratulations! You have read hundreds of books and Web pages and written scores of papers, presentations, analyses, and reports—and now you can claim your reward. You have earned a degree from one of the finest colleges in the nation, and you have every right to be proud.

As a Hunter graduate you automatically become a life member of the Alumni Association of the college, and I am delighted to welcome you. We are your official liaison to Hunter and we are eager to keep you informed of developments at your alma mater.

We are also eager to see you. The Alumni Association sponsors a host of events and projects for students and alumni, and we hope you will take advantage of many of them; we think you will find them exciting, thought-provoking, and useful. Among the association's initiatives are scholarships, lectures, workshops, book clubs, the Alumni Hall of Fame, regional chapter events, the fall alumni luncheon, and the annual birthday luncheon held each spring.

Areas and services available to Hunter alumni include:

Main Library (68th Street Campus)	212-772-4146
Health Professions Library	212-481-5117
Social Work Library	212-452-7076
Recreational and Gym Facilities	212-772-4912
Instructional Computing Services	212-650-3272
Chanin Language Center	212-772-5700
Career Development	212-772-4850

Since you will need an alumni card for some of these services, please come to our office in E1314 to get your card—and please bring your transcript or other proof of graduation.

We will continue to contact you regularly, and we hope you will be in touch with us. Please send us news about your life and your career, and please let us know your new address if you move. You can reach us by telephone at 212-772-4087; by e-mail at alumni@hunter.cuny.edu; and by mail at Alumni Association, 1314 East Building, Hunter College, 695 Park Avenue, New York, NY 10021.

On behalf of your fellow alumni—more than 80,000 strong—I am very happy to congratulate you, welcome you to the Alumni Association, and wish you a future that is rewarding in every way.

Cordially,

Jacqueline G. Wilson

President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshal, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
