HUNTER COLLEGE ASSEMBLY HALL

January 2005

Dear Member of the Class of 2005:

Congratulations, graduate! You have reached a most significant milestone in your life. Your hard work, determination and commitment to your education have been rewarded, and you and your family should take pride in your accomplishments and success. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially and technologically. You are part of the next generation of thoughtful, responsible, intelligent leaders who will make a real difference whenever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter's commitment to community, diversity and service to others.

We look forward to hearing great things about you, and hope you will stay connected to exciting activities and developments on campus. Please remember Hunter College and know that you will always be part of our family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is written in dark ink and is positioned above the printed name and title.

BENJAMIN MOYNIHAN

Robert P. Moses, Recipient of Doctorate of Humane Letters

Robert Moses, a civil rights activist and mathematics educator, is the founder and president of the Algebra Project, a national program to teach mathematics literacy to low-income children, particularly African-American and Latino students. A native of Harlem and a graduate of Stuyvesant High School, Moses earned a bachelor's in philosophy and French from Hamilton College and a master's in philosophy from Harvard. In 1958-61 he taught middle-school math in a school in the Bronx, but he left his teaching job to join the struggle for civil rights, spending four years organizing voter-registration drives in Mississippi. After returning to math teaching, first in Tanzania and then back home in the United States, he began to realize that much math education was inadequate and he developed his own approach to math instruction, which grew into the Algebra Project. Underlying the program, which now reaches nearly 40,000 students, is Moses' conviction that math literacy is a civil right, since career advancement in today's economy is impossible without this knowledge. Moses has received a MacArthur Fellowship, several National Science Foundation grants, a Heinz Family Foundation Award for the Human Condition, honorary doctorates from Princeton and several other universities, and a host of other honors.

Congressman Charles B. Rangel, Commencement Speaker and Recipient of the President's Medal

Charles Rangel has worked on behalf of urban communities, African-Americans and other minorities, women, and the underprivileged throughout his career. Now serving his 18th term in Congress, he is the Ranking Member of the Committee on Ways and Means, Deputy Democratic Whip of the House of Representatives, a co-chair of the Democratic Congressional Campaign Committee, and Dean of the New York State Congressional Delegation. He is the principal author of the Federal Empowerment Zone demonstration project to revitalize urban neighborhoods and the author of the Low Income Housing Tax Credit, which helps finance affordable housing. He championed the Work Opportunity Tax Credit, which has provided thousands of jobs for underprivileged young people, veterans, and ex-offenders, and has authored legislation to benefit minority and women veterans. He is a longtime leader in the fight against drug abuse and trafficking. A founding member and former chairman of the Congressional Black Caucus, Rangel served in the U.S. Army in Korea from 1948-52 and is a graduate of New York University and St. John's University School of Law. Before his election to Congress in 1970, he was an Assistant U.S. Attorney for the Southern District of New York and a New York State Assemblyman. His Congressional District comprises East and Central Harlem, the Upper West Side, West Harlem, and Washington Heights/Inwood.

Dear Alumnus/a:

Congratulations! You have read hundreds of books and Web pages and written scores of papers, presentations, analyses, and reports—and now you can claim your reward. You have earned a degree from one of the finest colleges in the nation, and you have every right to be proud.

As a Hunter graduate you automatically become a life member of the Alumni Association of the college, and I am delighted to welcome you. We are your official liaison to Hunter and we are eager to keep you informed of developments at your alma mater.

We are also eager to see you. The Alumni Association sponsors a host of events and projects for students and alumni, and we hope you will take advantage of many of them; we think you will find them exciting, thought-provoking, and useful. Among the association's initiatives are scholarships, lectures, workshops, book clubs, the Alumni Hall of Fame, regional chapter events, the fall alumni luncheon, and the annual birthday luncheon held each spring.

Areas and services available to Hunter alumni include:

Main Library (68th Street Campus)	212-772-4146
Health Professions Library	212-481-5117
Social Work Library	212-452-7076
Recreational and Gym Facilities	212-772-4912
Instructional Computing Services	212-650-3272
Chanin Language Center	212-772-5700
Career Development	212-772-4850

Since you will need an alumni card for some of these services, please come to our office in E1314 to get your card—and please bring your transcript or other proof of graduation.

We will continue to contact you regularly, and we hope you will be in touch with us. Please send us news about your life and your career, and please let us know your new address if you move. You can reach us by telephone at 212-772-4087; by e-mail at alumni@hunter.cuny.edu; and by mail at Alumni Association, 1314 East Building, Hunter College, 695 Park Avenue, New York, NY 10021.

On behalf of your fellow alumni—more than 80,000 strong—I am very happy to congratulate you, welcome you to the Alumni Association, and wish you a future that is rewarding in every way.

Cordially,

Jacqueline G. Wilson

President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
