Fareed Zakaria, Commencement Speaker and Recipient of President's Medal

Fareed Zakaria is the editor of *Newsweek International*, overseeing all of *Newsweek's* editions abroad. He writes a regular column for *Newsweek*, which also appears in *Newsweek International*. He is a member of the roundtable of ABC News' "This Week with George Stephanopoulos" as well as an analyst for ABC News. Zakaria is the host of the weekly PBS show, "Foreign Exchange," which focuses on international affairs.

His book, *The Future of Freedom*, published in 2003, was a *New York Times* bestseller. He is also the author of *From Wealth to Power: The Unusual Origins of America's World Role* (Princeton University Press), and co-editor of *The American Encounter: The United States and the Making of the Modern World* (Basic Books).

Zakaria has written for *The New York Times*, *The Wall Street Journal*, *The New Yorker*, *The New Republic*, and *Slate*. He has won several awards for his columns and essays, in particular for his October 2001 *Newsweek* cover story, "Why They Hate Us." In 1999 he was named "one of the 21 most important people of the 21st century" by *Esquire*.

Prior to being at *Newsweek*, Zakaria was managing editor of *Foreign Affairs*, widely considered the leading journal of international politics and economics. He has also taught international relations and political philosophy at Harvard, Columbia, and Case Western. He received a BA from Yale and a PhD in political science from Harvard.

Gloria Steinem, Recipient of Doctorate of Humanities

A talented writer, passionate lecturer, and distinguished editor, Gloria Steinem is one of the pioneers of the American feminist movement and she continues to serve as one of its most prominent activists.

Interested in political and social causes from an early age, Steinem majored in political science at Smith College, graduating magna cum laude. After college she spent two years on a fellowship studying history and government in India, where the oppression and poverty that she witnessed deepened her interest in social justice.

In 1959 Steinem became a journalist in New York. She gained national recognition in 1963 with her article "I Was a Playboy Bunny," which documented her undercover work at the New York City Playboy Club. While serving as a contributing editor at *New York* magazine, she became involved in political activism, working for Robert Kennedy when he ran for president in 1968 and Norman Mailer when he ran for mayor of New York in 1969. It was during this period that she wrote her first article about women's liberation.

Steinem continued to write articles and lecture on the feminist movement and gender equality throughout the 1960s and '70s. She helped found the National Women's Political Caucus and the Women's Action Alliance and became a founding member of the Coalition of Labor Union Women.

In 1972 she "translated a movement into a magazine," as she put it, by founding and editing *Ms. Magazine*.

Steinem is the author of five books, including *Outrageous Acts and Everyday Rebellions*, *Moving Beyond Words*, and *Revolution from Within: A Book of Self-Esteem*, which became a No. 1 best-seller.

Christine C. Quinn, Recipient of President's Medal

A New York City Councilmember representing the 3rd Council District since 1999, Christine Quinn was elected Speaker of the City Council on January 4, 2006. She is the first woman, openly gay and Irish Speaker of the City Council.

As former chair of the Health Committee, Quinn worked to provide affordable, quality health care to all New Yorkers and championed equal rights and tenants' rights. She led the passage and veto override of the Equal Benefits Bill, and also successfully advocated for rezoning that balances the goals of developers and the needs of neighborhoods. Quinn made affordable housing part of the High Line Rezoning Plan and fought against the West Side Stadium.

Before her election to the City Council, Quinn served for five years as Chief of Staff to Councilmember Thomas K. Duane. She later served as Executive Director of the New York City Gay and Lesbian Anti-Violence Project. While at the Anti-Violence Project, Mayor Rudolph Giuliani appointed her a member of the New York City Police/Community Relations Task Force.

Dear Alumnus/a,

Congratulations to each of you on achieving your goal! You have earned a most prestigious degree from Hunter College, the "jewel in the crown" of the City University of New York, and you deserve our highest praise and commendation!

The Alumni Association of Hunter College proudly welcomes you to membership; you are joining more than 80,000 alumni living in all parts of the United States and the world. We aim to maintain communication with all alumni, and now you are part of our vast network

As a member of the Alumni Association you will receive invitations to meetings and lectures with prominent guest speakers at the College, and to memorable luncheons and receptions where you may hold reunions with your classmates and colleagues. We have an active Alumni Book Club and Creative Writing Workshop on campus, and there are a number of regional chapter events in various parts of the country.

You will need an alumni card to access other services available to Hunter graduates. Before the end of Summer 2006 you should receive instructions on how to obtain a photo ID card. Until then, bring your diploma or transcript to the Alumni Office (Room 1314 East Building) for a temporary card, which will permit access to:

The Hunter College Libraries, including the Main Library on 68th Street, the School of Social Work Library on 79th Street, and the Health Professions Library on the Brookdale Campus.

Recreational and Gym Facilities. Please be sure to obtain the required form from the Medical Office (on the 3rd floor of the North Building) for your doctor's signature.

Instructional Computing Services 212-650-3272

Chanin Language Center 212-772-5700

Career Development Center 212-772-4850

It is expected that the new card may permit other benefits such as discounts in our bookstore and others, and access to card-operated copiers here at the College.

You will receive information about ongoing activities and events of interest to alumni from the Alumni Association newsletter *News and Notes* and from the College publication *At Hunter*.

Please 'save the date' **Saturday, October 28th, 2006**, to attend the **Fall 2006 Alumni Association Meeting & Luncheon at 12 noon in the Faculty Dining Room.**

We hope you will inform us of interesting events in your life and career. It is most important to let us know of any change of name or address. Please contact us by phone: 212-772-4087, by e-mail: alumnirelations@hunter.cuny.edu, or by mail: Alumni Association of Hunter College, 1314 East Building, Hunter College, 695 Park Avenue, New York, NY 10021.

Once again, congratulations and welcome to the Alumni Association of Hunter College! Our best wishes for complete fulfillment of all your expectations and for every success in the future!

Cordially,

Agnes A. Violenus,
President Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
