Joel A. Katz, Recipient of Doctorate of Laws

Joel A. Katz is a definitive leader in entertainment law. More than 30 years ago, he founded Katz, Smith & Cohen, among the nation's largest entertainment law firms. In 1998, Katz caught the attention of the international firm Greenberg Traurig, where he is now global chair of the international entertainment practice, regarded as the world's largest entertainment law practice.

Katz started his practice in 1971 with his first client, James Brown, and later represented the then-unknown Willie Nelson. The firm's client roster grew to more than 50 top entertainers including B.B. King, Jimmy Buffet, Sheryl Crow, Alan Jackson, James Taylor, George Strait, Josh Groban and Brooks & Dunn. Katz's corporate client list includes global brands such as The Coca-Cola Co., Microsoft Corp., Dick Clark Productions, Nokia Corporation and Six Flags Theme Parks.

Katz is general counsel for the National Academy of Recording Arts & Sciences and is on the initial board for the GRAMMY Museum. He is special counsel to the County Music Association and Rock and Roll Hall of Fame; general counsel/board member of Farm Aid Inc., The Yellowstone Club and International Tennis Hall of Fame; chairman of the Abu Dhabi Investment House Advisory Board and Fellow of the Royal Society for the Encouragement of Arts, Manufactures and Commerce; and entertainment counsel to the Gospel Music Association. In 1995, Katz was inducted into Georgia's Music Hall of Fame, and he received UJA-Federation of New York's 2003 Spirit of Music Award and the American Bar Association's 2006 Ed Ruben Award. In 2007, the Foundation for Ethnic Understanding presented Katz the Joseph Papp Racial Harmony Award, and he received the T. J. Martell Spirit of Excellence Award. Katz received the 2007 Outstanding Georgia Citizen presented by Georgia's Secretary of the State.

A New York native, in 1966 Katz earned an economics degree from Hunter College, where he was inducted into the Hall of Fame in 2003. Katz earned his law degree from the University of Tennessee in 1969. In 1999, Katz received the University of Tennessee's Founders Day Medal, and the university dedicated the Joel A. Katz Law Library.

To the Graduates of the Class of June 2008:

Congratulations to all graduates in the Hunter College Class of June 2008! And welcome to the Alumni Association of Hunter College. You have used your intellect and your personal strengths and talents to achieve a diploma from one of the most prestigious public institutions of higher learning in this city, this state, and, indeed, in this country. Now you are part of a powerful organization of over 85,000 members living in all parts of the United States and across the world. Welcome!

No doubt you have given much thought to the challenges that lie ahead—careers, family, and national and world issues. You need to understand that your alma mater will be here to continue providing support for your endeavors in the future as it has in the past.

I encourage you to call the **Alumni Office (212-772-4087)** to begin procedures for obtaining your Alumni Card. This card will extend privileges and benefits to you, including access to the Hunter Library, Career Development Services, and recreational facilities.

You should consider joining or starting a chapter of the Alumni Association. There are currently six or seven chapters in various sections of the country, and a few new chapters based on special interests are being formed this year. There are a number of ongoing activities such as our Creative Writing Group and our Book Club which may be of interest to you. Additionally, every season there are special events such as the Fall Alumni Luncheon, the Holiday Party, and the Hall of Fame Induction Ceremony that you, as alumni, are welcome to attend. Call the Alumni Office for more information on these events.

The Alumni Association needs your leadership, and you are urged to become an active member by attending the Association meetings, volunteering for committees, serving on our Board of Directors, and running for office.

On the matter of Alumni officers, I hereby inform you that I am ending my term of office as of May 31, 2008. I have been privileged to serve the Alumni Association as president for the past three years, and now I am very pleased and honored to announce to you that we welcome a new Alumni Association president, Dr. Patricia Spence Rudden, who will serve from June 1, 2008, through May 31, 2011. Dr. Rudden is currently professor of English at New York City Technical College and is a longtime leader of alumni events at Hunter. With your help, Pat's enthusiasm, vigor, and innovative ideas will bring our Association upward and onward to new and wonderful achievements!

Once again, congratulations to the Class of June 2008, and welcome to the Alumni Association of Hunter College!

Agnes A. Violenus

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
