## **The Honorable Hilda L. Solis, Commencement Speaker**

Hilda L. Solis was confirmed as U.S. Secretary of Labor on February 24, 2009. Before her confirmation, Solis represented the 32nd Congressional District in California, a position she held from 2001 – 2009.

In the Congress, Solis' priorities included expanding access to affordable health care, protecting the environment, and improving the lives of working families. A recognized leader in the area of clean energy jobs, she authored the Green Jobs Act, which provided funding for "green"-collar job training for veterans, displaced workers, and at risk youth. Solis served in the California State Assembly from 1992 to 1994, and in 1994 she made history by becoming the first Latina elected to the California State Senate.

A nationally recognized leader on the environment, Solis became the first woman to receive the John F. Kennedy Profile in Courage Award for her pioneering work on environmental justice issues. Her California environmental justice legislation, enacted in 1999, was the first of its kind in the nation to become law.

Solis graduated from California State Polytechnic University, Pomona, and earned an MPA from the University of Southern California. A former federal employee, she worked in the Carter White House Office of Hispanic Affairs and was later appointed as a management analyst with the Office of Management and Budget in the Civil Rights Division.

## **Sheila L. Birnbaum, Esq., Recipient of Honorary Doctorate of Laws**

As co-head of Skadden, Arps' Complex Mass Tort and Insurance Group, Sheila L. Birnbaum practices primarily in the areas of products liability, toxic torts and insurance coverage litigation. Before becoming a Skadden, Arps partner, Birnbaum served as counsel to the firm while she was a professor of law and associate dean at New York University School of Law.

Birnbaum has been named the leading product liability lawyer in the world by *The International Who's Who of Product Liability Defence Lawyers* each year since its inception in 2005 and has been repeatedly selected for inclusion in *The Best Lawyers in America* for personal injury and mass tort litigation. In addition, she has been cited by *The National Law Journal* as one of the 100 most outstanding members of the legal profession and by *Crain's New York Business* as one of the 25 most influential women in New York business.

Birnbaum received the Margaret Brent Women Lawyers of Achievement Award from the American Bar Association, the Law and Society Award from the New York Lawyers for the Public Interest, and the Vanderbilt Medal, the highest honor bestowed on an alumnus of the NYU School of Law. She is also the recipient of the New York University Law Alumni Award for outstanding achievement in the legal profession. Birnbaum received her BA *cum laude* and Phi Beta Kappa, and her MA from Hunter. She earned an LLB from NYU School of Law.

## **The Honorable Scott M. Stringer, Recipient of President's Medal**

Scott M. Stringer, a native New Yorker, is the 26th Manhattan Borough President.

Since taking office at the start of 2006, he has dedicated himself to making Manhattan more affordable and livable – preserving the sense of neighborhood for the borough's 1.6 million residents.

Continuing his career-long fight for affordable housing, Stringer conducted the first ever borough-wide survey identifying vacant lots and abandoned buildings, and then worked with state legislators to enact new tax incentives that seek to encourage development of these properties.

Stringer has written a number of groundbreaking policy reports on issues of importance to every New Yorker, including parental involvement in the public schools, nursing home emergency preparedness, transportation, paid leave for employees, school overcrowding, and wasteful tax breaks for fast-food restaurants and gas stations.

Before being elected borough president, Stringer served for thirteen years in the State Assembly, where he authored legislation to protect victims of domestic violence, led the successful fight to end "empty-seat voting" in Albany, and voted against every attempt to weaken rent regulations. *The New York Times* credited him with having "a sterling reputation as a catalyst for reform." He is a graduate of the John Jay College of Criminal Justice.

Dear Graduates:

Today you receive your degrees from Hunter College, and you begin your lifelong membership in our Alumni Association. We have been in existence since the earliest graduates organized to serve the College in 1872, and we look to you to continue our grand tradition.

A Hunter degree is a great achievement that will have wonderful consequences in your lives. You have completed a course of study at one of our country's greatest public colleges, and you are now ready to make your way in your profession and in the world. And you have assured your future success. You have a worldwide family now of over 100,000 fellow alumni, and you've made contemporary contacts along the way who will be friends and colleagues for life. You enter a lasting relationship with your college and with your future fellow alumni, and you become part of a long and distinguished tradition of women and men who have added in every conceivable way to the good in the world.

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association, whether directly here in New York or elsewhere in a chapter—or in one of our new groups in cyberspace—will never cost you a cent, and it gives you an immediate and lifelong way to enhance the lives of your fellow alumni. Come to Alumni Association meetings (held three times a year) and see what we do. Come to the Birthday Luncheon in the spring and celebrate the birthdays of Hunter College and the Alumni Association with graduates from many periods of the College's history. Join the Book Club or the Creative Writing Group. Get involved with a local chapter, or start a new one. Check in on Facebook, MySpace and LinkedIn. Serve on our Board of Directors and maybe as an officer! Serve as a mentor to an individual student or to a student club. Join with fellow alumni to cheer on our athletic teams. Be visible to the students, who need to see us around and hear us cheering all of them on as they make their way through the College.

Visiting and enjoying Hunter is easy with an Alumni Card that gives you access to the buildings and to the library, computer lab, recreational facilities and career development services. This is a permanent benefit that comes along with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College! See you soon!

Patricia Spence Rudden

President, Alumni Association of Hunter College

## Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i> .....	White
<i>Business</i> .....	Sapphire Blue
<i>Education</i> .....	Light Blue
<i>Engineering</i> .....	Orange
<i>Health Sciences</i> .....	Kelly Green
<i>Law</i> .....	Purple
<i>Medicine</i> .....	Green
<i>Nursing</i> .....	Apricot
<i>Pharmacy</i> .....	Olive
<i>Philosophy</i> .....	Dark Blue
<i>Sciences and Mathematics</i> .....	Golden Yellow
<i>Social Sciences</i> .....	Dark Blue
<i>Social Work</i> .....	Citron
<i>Theology</i> .....	Scarlet

## Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
