HUNTER
The City University of New York

January 2010

Dear Graduates:

Congratulations! You have reached a most significant milestone in your life. Your hard work, determination, and commitment to your education have been rewarded, and you and your family should take pride in your accomplishments and success. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially, economically, and technologically. You are part of the next generation of thoughtful, responsible, intelligent leaders who will make a real difference wherever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter's commitment to community, diversity, and service to others.

We look forward to hearing great things about you, and we hope you will stay connected to the College and involved with the exciting activities and developments on campus. You will always be part of the Hunter family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is written in dark ink and is positioned above the printed name and title.

COMMENCEMENT HONOREES

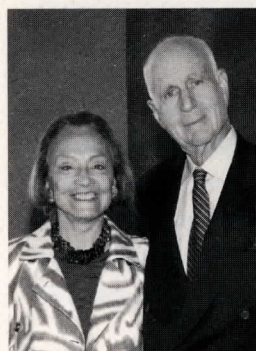

Kerry Kennedy, Commencement Speaker

Kerry Kennedy is one of the nation's foremost human rights activists. In 1988 she established the Robert F. Kennedy Memorial Center for Human Rights in memory of her father. She has led more than 40 human rights delegations around the globe, and she has campaigned tirelessly for a host of causes, including children's rights, judicial independence, and the environment.

She has been particularly active on women's issues, working to expose such violations as workplace discrimination, domestic violence, sexual slavery, and honor killings. She has fought with equal passion against child labor, the violation of indigenous land rights, and ethnic violence.

She serves as chair of Amnesty International's USA Leadership Council and is the best-selling author of *Being Catholic Now: Prominent Americans Talk About Change in the Church and the Quest for Meaning*.

A graduate of Brown University and Boston College Law School, Kennedy holds honorary doctorates of law from Le Moyne College and the University of San Francisco Law School and an honorary doctorate of human letters from Bay Path College.

Barbara and Donald Jonas, Recipients of President's Medal

A prominent retail executive, **Donald Jonas** is the founder and former chairman of the Barbara Lynn stores and its successor company, Belscott Retailers, both of which were listed on the American Stock Exchange. He was co-founder and chairman of Lechters Housewares retail chain from 1973 until he retired in 2001.

A concerned philanthropist, he started the Read to Feed Program in New York City public and private schools for Heifer International and remains active with Heifer programs. His philanthropic interests also include support of educational and medical programs in the Dominican Republic.

Avid collectors of modern art, Mr. Jonas and his wife, Barbara, donated 15 pieces of art for auction to the Jewish Communal Fund in 2005. Forty-four million dollars from the sale of that art established the Barbara and Donald Jonas Family Fund. The Jonas Family Fund focuses their philanthropic giving on nursing, their major focus, as well as on mental health and at-risk youth and families. Mr. Jonas is currently an advisor to the Barbara and Donald Jonas Family Fund and co-chair of the advisory board to the Jonas Center for Nursing Excellence.

Mr. Jonas attended the Horace Mann School and served in the U.S. Marine Corps. He is a former board member of Dress Barn apparel retail chain; Kipp Academy Charter School, Bronx, New York; Guggenheim Museum Business Board; American Jewish Congress and Cancer Care, Inc. He is a trustee and an honorary trustee of the Horace Mann School.

Barbara Jonas was vice chairman of the Community Services Board of the New York City Department of Mental Health, Mental Retardation and Alcoholism Services, a member of the Institutional Review Board of New York University Medical Center from 1983 to 2005, and is a member of the Columbia Presbyterian Health Sciences Advisory Council. In 1992, she established the Barbara Jonas Centers for the Study and Treatment of Children at Risk at the Departments of Psychiatry at New York University and Columbia Presbyterian Medical Centers.

Mrs. Jonas is a trustee emeritus at the Guggenheim Museum and is a member of the Art and Museum Committee and a former member of the board of the Alvin Ailey American Dance Theater Foundation. She is an advisor to the Barbara and Donald Jonas Family Fund and co-chair of the advisory board to the Jonas Center for Nursing Excellence.

A graduate of the High School of Performing Arts and Sarah Lawrence College, Mrs. Jonas earned her MSW from Yeshiva University and was a practicing psychotherapist.

Dear Graduates of the Class of January 2010:

Today you receive your degrees from Hunter College, and you begin your lifelong membership in our Alumni Association. The Association has been in existence since the earliest graduates organized to serve the College in 1872, and we look to you to continue our grand tradition.

A Hunter degree is a great achievement that will have wonderful consequences in your lives. You have completed a course of study at one of our country's greatest public colleges, and you are now ready to make your way in your profession and in the world. And you have assured your future success. You have a worldwide family now of over 100,000 fellow alumni, and you've made contemporary contacts along the way who will be friends and colleagues for life. You enter a lasting relationship with your college and with your future fellow alumni, and you become part of a long and distinguished tradition of women and men who have added in every conceivable way to the good in the world.

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association, whether directly here in New York or elsewhere in a chapter (or in one of our new groups in cyberspace) will never cost you a cent, and it gives you an immediate and lifelong way to enhance the lives of your fellow alumni. Come to Alumni Association meetings (held three times a year) and see what we do. Come to the Birthday Luncheon in the spring and celebrate the birthdays of Hunter College and the Alumni Association with graduates from many periods of the College's history. Join the Book Club or the Creative Writing Group. Get involved with a local chapter, or start a new one. Check in on Facebook, Twitter, and LinkedIn. Serve on our Board of Directors and maybe as an officer! Serve as a mentor to an individual student or to a student club. Join with fellow alumni to cheer on our athletic teams. Be visible to the students, who need to see us around and hear us cheering all of them on as they make their way through the College.

Visiting and enjoying Hunter is easy with an Alumni Card that gives you access to the buildings and to the library, computer lab, recreational facilities and career development services. This is a permanent benefit that comes along with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College! See you soon!

Patricia Spence Rudden
President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's, the longest and the broadest is the doctor's, and the master's is midway between these. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.
