COMMENCEMENT HONOREES

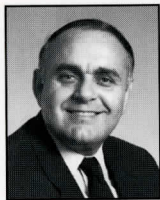

Maurice DuBois, Commencement Speaker

Award-winning TV anchor Maurice DuBois, who joined WCBS-TV in 2004, co-anchors “CBS 2 News This Morning” on weekdays and has substituted as news anchor for the weekend editions of “The CBS Evening News” and “The Early Show.” Before joining WCBS-TV, DuBois spent seven years at WNBC-TV where he co-anchored “Today in New York,” anchored many breaking news stories, hosted specials on topics ranging from children and violence to parades and telethons, and substituted as news anchor for numerous shows.

While at WNBC-TV, DuBois also hosted “Four Stories,” a magazine featuring community heroes, as well as “Mind over Media,” a Court-TV program designed to help students understand media images.

Previously, DuBois was an anchor/reporter for WFLD-TV in Chicago and KCRA-TV in Sacramento. He has covered everything from local news to national political conventions, AIDS in South Africa, a double execution, the death of Pope John Paul II, and the installation of Pope Benedict XVI.

DuBois is the winner of several journalism and community awards, including four Emmys. He has also been honored by The Associated Press and The New York Association of Black Journalists. He serves on the boards of PENCIL, Susan G. Komen for the Cure/NYC, and N.Y. City Center. He has received honorary doctorates from Seton Hall University, Medgar Evers College, and Briarcliffe College.

Leon Cooperman, Recipient of Honorary Doctorate of Humane Letters

After 25 years of service, Leon Cooperman retired from his positions as a General Partner of Goldman, Sachs & Co. and as Chairman and Chief Executive Officer of Goldman Sachs Asset Management to organize a private investment partnership, under the direction of Omega Advisors, Inc.

At Goldman Sachs he also served as chief investment officer of the equity product line and held leading positions in the Investment Research Department. For nine consecutive years, he was voted the number one portfolio strategist in the Institutional Investor All-America Research Team survey.

Cooperman is a trustee of Saint Barnabas Hospital, chairman of the Saint Barnabas Development Foundation, a member of the Board of Overseers of the Columbia University Graduate School of Business, a member of the Board of Directors of the Damon Runyon Cancer Research Foundation, and a trustee of New Jersey Performing Arts Center.

A 1964 graduate of Hunter, Cooperman also has an MBA from Columbia. He has an honorary doctorate of finance from Roger Williams University, is a member of the Hunter Hall of Fame, and has received awards for humanitarian service from the American Jewish Committee, Seton Hall, and the Boys & Girls Clubs of Newark.

Carolyn B. Maloney, Recipient of President’s Medal

First elected to Congress in 1992, Carolyn B. Maloney is recognized as a national leader with extensive accomplishments in financial services, national security, the economy, and women’s issues.

Maloney is the first woman to represent New York’s 14th Congressional District; the first woman to represent New York City’s 7th Council district (where she was the first woman to give birth while in office); and is currently the first woman to chair the Joint Economic Committee, an important House and Senate panel.

As a senior member of the House Financial Services Committee, Maloney has worked to modernize financial laws, strengthen consumer protections, and institute more vigilant oversight of the safety and soundness of the banking industry.

As co-founder of the House 9/11 Commission Caucus, Maloney helped author and pass legislation to implement the 9/11 Commission’s recommendations for improving intelligence gathering.

A champion for women’s issues, Maloney helped pass legislation that combats sex trafficking; provides annual mammograms for women on Medicare; and increases funding for DNA rape kits, termed ‘the most important anti-rape legislation in history.’

New York City has no stronger advocate in Congress than Maloney. She has doggedly fought for full federal assistance to help the city rebuild from 9/11, most recently by helping to secure federal aid to fund the health care needs of those made sick by the toxic air at Ground Zero. She has also delivered significant federal funding for major transportation projects in the city.

Dear Graduates:

Today you receive your degrees from Hunter College, and you begin your lifelong membership in our Alumni Association. We have been in existence since the earliest graduates organized to serve the College in 1872, and we look to you to continue our grand tradition.

A Hunter degree is a great achievement that will have wonderful consequences in your lives. You have completed a course of study at one of our country's greatest public colleges, and you are now ready to make your way in your profession and in the world. And you have assured your future success. You have a worldwide family now of over 100,000 fellow alumni, and you've made contemporary contacts along the way who will be friends and colleagues for life. You enter a lasting relationship with your college and with your future fellow alumni, and you become part of a long and distinguished tradition of women and men who have added in every conceivable way to the good in the world.

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association, whether directly here in New York or elsewhere in a chapter—or in one of our new groups in cyberspace—gives you an immediate and lifelong way to enhance the lives of your fellow alumni. Come to Alumni Association meetings (held three times a year) and see what we do. Come to the Birthday Luncheon in the spring and celebrate the birthdays of Hunter College and the Alumni Association with graduates from many periods of the College's history. Join the Book Club or the Creative Writing Group. Get involved with a local chapter, or start a new one. Check in on Facebook, MySpace and LinkedIn. Serve on our Board of Directors and maybe as an officer! Serve as a mentor to an individual student or to a student club. Join with fellow alumni to cheer on our athletic teams. Be visible to the students, who need to see us around and hear us cheering all of them on as they make their way through the College.

Visiting and enjoying Hunter is easy with an Alumni Card that gives you access to the buildings and to the library, computer lab, recreational facilities, and career development services. This is a benefit that comes along with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College! See you soon!

Patricia Spence Rudden

President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
