Robert Lopez, Commencement Speaker

Robert Lopez co-created and co-wrote the smash-hit comic Broadway musicals *The Book Of Mormon* (2011) and *Avenue Q* (2003). *The Book of Mormon* is nominated this year for 14 Tony Awards, including Best Musical, Best Original Score, and Best Book of a Musical—the same three awards *Avenue Q* (which has been running for eight years) won in 2004.

Lopez shared two Emmy awards for his music for Nickelodeon's *The Wonder Pets*. He co-wrote the songs for *Winnie The Pooh*, the upcoming release from Disney Feature Animation, along with his wife, Kristen Anderson-Lopez, with whom he also wrote *Finding Nemo: The Musical*, a favorite attraction in Disney's Animal Kingdom theme park for many years. His theater work has been performed on nearly every continent and translated into many languages.

Lopez is a proud graduate of Hunter College Elementary School and Hunter College High School, where in 2005, he was the first male to receive the Distinguished Graduate Award. He earned a B.A. in English from Yale University. A native of New York City, Lopez lives in Park Slope with his wife and two daughters.

Lois V. Silberman, Recipient of the Chancellor's Medal

Lois V. Silberman, a graduate of New York's Fieldston School and Barnard College, has a rich history of support and leadership at Hunter College. She and her late husband Samuel J. Silberman, known as 'Buddy,' established the Lois and Samuel Silberman Fund.

The Fund was established almost fifty years ago. It is the only philanthropic foundation in the United States whose mission is to provide grants for the development of knowledge and skills for service delivery in the social work profession.

The Silberman Fund supports graduate faculty and other professional research to add to the body of knowledge on emerging social problems. The cutting-edge work of graduate social work researchers and faculty at universities and colleges throughout the United States include Bryn Mawr, the University of Maryland, Columbia University, University of South Carolina, University of Denver, Arizona State University, University of North Carolina at Greensboro, University of Minnesota and Stanford University.

In 1964, The Silberman Fund, provided a major gift to support the construction of the building on the north side of East 79th Street to house the Hunter College School of Social Work. Both Lois and Buddy received President's Medals in 1966.

Building upon this major gift, in 2008 the Silberman Fund extended a gift to Hunter College of \$40 million, the largest in the college's and CUNY's history, to construct a new building in East Harlem to house the Lois V. and Samuel J. Silberman School of Social Work at Hunter College.

In recognition of her contributions to scholarship in social welfare, Lois Silberman received the Distinguished Service Award from the Council on Social Work Education. She has been active in many philanthropic endeavors benefiting a variety of organizations, including the Jewish Guild for the Blind, the Child Study Association of America, Camp Isabella Freedman, the National Conference on Social Welfare and the National Homearing Council.

— *From the President of the Alumni Association* —

Dear Graduates of the Class of June 2011:

Today you receive your degrees from Hunter College, and you begin your lifelong membership in our Alumni Association. We have been in existence since the earliest graduates organized to serve the College in 1872, and we look to you to continue our grand tradition.

A Hunter degree is a great achievement that will have wonderful consequences in your lives. You have completed a course of study at one of our country's greatest public colleges, and you are now ready to begin to make your way in your profession and in the world. And you have assured yourself lasting success. You have a worldwide family now of over 100,000 fellow alumni, and you've made contemporary contacts along the way who will be friends and colleagues for life. You enter a lifelong relationship with your college and with your future fellow alumni, and you become part of a long and distinguished tradition of women and men who have added in every conceivable way to the good in the world.

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association, whether directly here in New York or elsewhere in a chapter or in one of our new groups in cyberspace—will never cost you a cent, and it gives you an immediate and lifelong way to enhance the lives of your future fellow alumni. Come to Alumni Association meetings (three times a year) and see what we do. Come to the Birthday Luncheon in the spring and celebrate the birthdays of Hunter College and the Alumni Association with graduates from many periods of the College's history. Join the Book Club or the Creative Writing Group. Get involved with a local chapter, or start a new one. Check in on Facebook, MySpace and LinkedIn. Serve on our Board of Directors and maybe as an officer! Serve as a mentor to an individual or to a student club. Join with fellow alumni to cheer on our athletic teams. Be visible to the students, who need to see us around and hear us cheering all of them on as they make their way through the College.

Hanging out at Hunter is easy with an Alumni Card that gives you access to the buildings and to the library, computer lab, recreational facilities and career development services. This is a lifelong benefit that comes along with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Notes

The Mace carried by the Grand Marshal, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.
