Luis A. Ubiñas is president of the Ford Foundation, the nation's second-largest philanthropy with over \$10 billion in assets and over \$500 million in annual giving. Since joining the Ford Foundation in 2008, Ubiñas has focused on building a social justice strategy centered on ensuring poor and marginalized communities share in the economic, social and political opportunities afforded by their societies. Prior to joining the Ford Foundation, he was a director at McKinsey & Company, leading the firm's media practice on the west coast, where he served technology, telecommunications and media companies. Ubiñas serves on several non-profit, government and corporate boards and advisory committees, including the

UN Permanent Advisory Memorial Committee, and the boards of the New York Public Library and Electronic Arts, Inc. He is also a fellow of the American Academy of Arts and Sciences and a member of the Council on Foreign Relations. Ubiñas was nominated by President Obama to serve on the U.S. Advisory Committee on Trade Policy and Negotiation. He is a graduate of Harvard College and Harvard Business School, where he graduated with highest honors.

Heather Watts, *Doctor of Fine Arts*

Heather Watts is recognized as one of the premier ballet dancers of the modern era. In 1967, Watts attended the School of the American Ballet, the official school of the New York City Ballet, on a Ford Foundation scholarship. She joined the New York City Ballet in 1970 and was promoted to principal dancer in 1979 by George Balanchine. She has played the principal roles in many of Balanchine's masterpieces and had many roles created for her, including Balanchine's *Walpurgisnacht Ballet* and *Davidstbüdertänze*, Jerome Robbins' *Four Seasons* and *Piano Pieces*, and Peter Martins' *Calcium Light Night*. Among the first artists to join the fight against AIDS, she was a founding board member of God's

Love We Deliver. Watts has received the Jerome Robbins Award, the Dance Magazine Award, and the L'Oreal Shining Star Award, among many others. She has directed national and international dance touring companies, and currently serves on the Artists Committee for the Kennedy Center Honors. She has been a contributing editor covering arts and culture at *Vanity Fair* magazine since 1995. Actively involved in dance education, Watts received two Derek Bok awards for distinguished teaching at Harvard, and is the Class of 1932 Visiting Lecturer in Dance at Princeton for 2011-12. She has taught master ballet classes at Hunter and currently serves on Hunter's Dance Advisory Board.

Dan R. Garodnick, *Recipient of the President's Medal*

For his vision, persistence, and insistence on results, Dan Garodnick has earned a reputation among his colleagues as a thoughtful, determined problem-solver. He has explained that, "If you identify issues early, you can not only bring people together around a solution, you can also build the relationships that will help defuse the next problem coming down the pike." Garodnick has authored some of the most important legislation to pass the Council in the past number of years, including the Tenant Protection Act, giving tenants an opportunity to sue for harassment; the City's first Green Energy Code, to reduce carbon emissions from buildings; and sweeping reforms of the process server industry. Garodnick made the list of *City and State* newspaper's "Rising Stars" under the age of 40, and has been praised

for his independent streak and creative problem-solving. He was elected by his peers to chair the Manhattan Delegation and the Council's Consumer Affairs Committee. Prior to his election, Garodnick was a litigator at the New York law firm of Paul, Weiss, Rifkind, Wharton & Garrison, LLP. He is a graduate of Dartmouth College and the University of Pennsylvania Law School, where he served as editor-in-chief of the University of Pennsylvania *Law Review*.

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bestows upon you membership in our Alumni Association. When I graduated, 20+ years ago, I thought I had taken advantage of all Hunter had to offer and now I was on my own. I was so wrong! I was invited back as an alumna and was pleasantly surprised to discover a vibrant, active, multi-generational Alumni Association. In addition to the personal satisfaction of giving back to the College, I have made new friends and colleagues who have greatly enriched my life. It is now my honor to invite each of you to join the Alumni Association and its grand tradition of serving the College and supporting each other since its founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to "leave school behind." As you make your way through the world, remember that you have a worldwide family of over 100,000 fellow alumni: some are your fellow graduates, many have gone before you. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, large and small, as evidenced by our growing list of Alumni Hall of Fame members in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you a lifelong way to enhance your life as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group or Athletic Boosters. Get involved with a local or interest chapter (such as BOND) or start a new one. Check in on Facebook, LinkedIn, Google+ and Twitter. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and maybe as an officer!

Hanging out at Hunter is easy with an Alumni Card that gives you access to the campus, the library, computer lab, recreational facilities and career development services. This is a lifelong benefit that comes with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter as part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Sincerely,

Anne Seifried
President, Alumni Association of Hunter College

Dear Graduates, Parents and Friends:

Congratulations! On this Commencement Day, new and exciting opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it's a great time to reflect on the Hunter education that has prepared us for our exciting futures.

Although we'll be leaving Hunter and entering the next chapter of our lives, this doesn't have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the college that will represent our class and all our unique achievements. This gift is also an expression of gratitude for the wonderful education that each of us has received and our first chance to give back to the College that has given us so much.

The Legacy Gift Committee is asking all seniors to help choose the perfect gift to leave behind as our special legacy, something that will not only symbolize our class but will also benefit future students. We want to hear your suggestions. To submit ideas, please email Hunter's Alumni Relations Office at alumnirelations@hunter.cuny.edu. Please also contact us if you are interested in participating in the planning, organizing and fundraising for the Legacy Gift Committee.

In order for us to fulfill our promise to the College and demonstrate the commitment of our class, we are requesting that you consider adding your name to the Class of 2012 Legacy Gift campaign. Our suggested donation is \$20.12 but please know that any gift is greatly appreciated. There are no small gifts, and our goal is to have 100% class participation!

To contribute online, please visit <http://www.hunter.cuny.edu/alumni/legacy-gift/2012>, or to make a gift by check, please make your checks out to The Hunter College Foundation, with "2012 Legacy Gift" in the memo line, and mail to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Thank you in advance for your participation and support in helping to make the Class of 2012 Legacy Gift campaign an unprecedented success.

Best wishes to you all for much success in your future endeavors.

Sincerely,

Legacy Gift Committee

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
