HUNTER

The City University of New York

— Greetings from President Raab —

May 29, 2012

Dear Graduates:

Congratulations! You have reached a most significant milestone in your life. Your hard work, determination and commitment to your education have been rewarded, and you and your loved ones should take pride in your accomplishments and success. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially, economically, and technologically. You are part of the next generation of thoughtful, responsible, intelligent leaders who will make a real difference wherever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter's commitment to community, diversity, and service to others.

We look forward to hearing great things about you, and we hope you will stay connected to the exciting activities and developments on campus. Please remember Hunter College and know that you will always be part of our family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is written in dark ink and is positioned above the printed name and title.

Commencement Speaker

Soledad O'Brien

Soledad O'Brien is the anchor of the CNN morning show "Starting Point with Soledad O'Brien" and is also special correspondent for CNN/U.S. She has reported breaking news from around the globe in addition to producing award-winning, critically acclaimed documentary films.

O'Brien also covers political news as part of CNN's "Best Political Team on Television." In 2010, she wrote a critically-acclaimed memoir *The Next Big Story: My Journey through the Land of Possibilities*, which chronicles her biggest reporting moments and how her upbringing and background have influenced these experiences.

O'Brien's most recent documentaries include "Black in America: The New Promised Land – Silicon Valley," a profile of an accelerator program developed to diversify the technology industry by helping African-American digital entrepreneurs secure funding for their ventures; and "Latino in America 2: In Her Corner," the story of female flyweight fighter and U.S. Olympic hopeful Marlen Esparza.

In 2011, Soledad won her first Emmy for "Crisis in Haiti" (Anderson Cooper 360) in the category of Outstanding Live Coverage of a Current News Story – Long Form. O'Brien was part of the coverage teams that earned CNN a George Foster Peabody award for its coverage of the BP oil spill and Hurricane Katrina, and an Alfred I. duPont Award for its coverage of the Southeast Asia tsunami.

O'Brien came to CNN from NBC News where she anchored the network's "Weekend Today" since July 1999.

Soledad O'Brien is a graduate of Harvard University and lives with her husband and four children in Manhattan.

-Greetings from the President of the Alumni Association-

May 29, 2012

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bestow upon you membership in our Alumni Association. When I graduated, more than 20 years ago, I thought I had taken advantage of all Hunter had to offer and now I was on my own. I was so wrong! I was invited back as an alumna and was pleasantly surprised to discover a vibrant, active, multigenerational Alumni Association. Here, in addition to enjoying the personal satisfaction of giving back to the College, I have made new friends and colleagues who have greatly enriched my life. It is now my honor to invite each of you to join the Alumni Association and its grand, 140-year-old tradition of serving the College and enabling Hunter graduates to support one another since the Association's founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to "leave school behind." As you make your way through the world, remember that you have a worldwide family of over 100,000 fellow alumni; some are fellow members of your class, many have gone before you. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, as evidenced by the growing list of Alumni Hall of Fame members in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you a way to enhance your life as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group or Athletic Boosters. Get involved with a local or interest chapter (such as BOND) or start a new group. Check in on Facebook, LinkedIn, Google+ and Twitter. Become a mentor. Network with fellow alumni. Serve on our Board of Directors, perhaps as an officer!

Hanging out at Hunter is easy with the Alumni Card, which gives you access to the campus, the library, the computer lab, recreational facilities and career development services. This is a lifelong benefit that comes with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started

Above all, take pride and joy in your great achievement today, and keep Hunter as part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Sincerely,

Anne Seifried
President, Alumni Association of Hunter College

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
