### **Wolf Blitzer, Commencement Speaker, Recipient of Hunter College Inspiration Award**

Wolf Blitzer is CNN's lead political anchor and the anchor of The Situation Room with Wolf Blitzer. He has been with CNN for more than 20 years, beginning as its Pentagon correspondent and going on to cover the top stories of the day at home and abroad. He moderated three Republican presidential debates in 2012, spearheaded CNN's Peabody Award-winning coverage of the 2008 presidential primary debates and campaigns, and led Emmy-winning election coverage in 2006 and 2004.

Blitzer began his career in 1972 at Reuters in Tel Aviv, and in the decades since, his distinctive reporting from the Middle East has included on-site coverage of the 1979 Israel-Egypt peace negotiations, dispatches from Beirut in 1982, reports from the Persian Gulf in 2003 and from Israel during its 2006 war with Hezbollah, and a recent interview with Egyptian President Mohamed Morsy. Blitzer has also interviewed Presidents Barack Obama, George W. Bush, Bill Clinton, George H.W. Bush, Ronald Reagan, Jimmy Carter and Gerald Ford, and foreign leaders including the Dalai Lama, Pakistani President Asif Ali Zardari, Soviet President Mikhail Gorbachev, British Prime Minister Margaret Thatcher, and South African President Nelson Mandela.

After majoring in history at the State University of New York at Buffalo, Blitzer earned a master's degree in international relations from the Johns Hopkins University School of Advanced International Studies. He is the author of *Between Washington and Jerusalem: A Reporter's Notebook*, and *Territory of Lies*, about Israeli spy Jonathan Pollard.

### **Anne Pasternak, Honorary Doctor of Fine Arts**

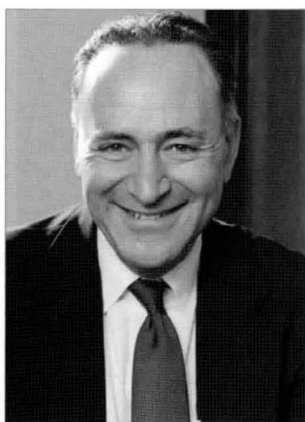

Anne Pasternak, the president and artistic director of Creative Time, has brought great art to millions of people in New York City and around the world. In her 19 years at Creative Time, Pasternak has led the way in changing the face and scope of public art and enabling those who live and work outside the traditional art scene to view and experience innovative, moving, and provocative works.

After studying art history at the University of Massachusetts and the graduate program at Hunter, Pasternak began working in her lower-Manhattan loft to produce ambitious public projects. She had few material resources but was motivated by a powerful vision of bringing great art to urban spaces, and through that art, transforming how people view their immediate surroundings, the wider world, and their own role in that world. Pasternak continued to pursue her vision after joining Creative Time and building it into a formidable organization. The result has been major projects at such sites as Grand Central Station, Coney Island, and the World Trade Center, where the 9/11 victims were memorialized in a far-reaching way by the deeply moving "Tribute of Light."

### **Senator Charles E. Schumer, Recipient of the President's Medal**

At age 23, Chuck Schumer began his lifelong career in public service. After graduating from Harvard College and Harvard Law School, he returned to his native Brooklyn and made a successful run for the New York State Assembly. The youngest member of the state legislature since Theodore Roosevelt, he quickly made his mark as a vigorous advocate for his constituents. In 1980, he won the seat for the Ninth Congressional District, representing parts of Brooklyn and Queens.

Schumer served in the House for 18 years, earning a reputation as a strong consumer advocate and leader in the fight against crime. In 1998, he was elected to the U.S. Senate, where he has made New York's economy his top priority. He delivered over \$20 billion in aid to New York City following 9/11, authored legislation enabling low-cost generic medications to enter the marketplace, and led the charge to make college tuition tax deductible. Today he chairs the Senate Rules Committee, which oversees federal elections, voting rights and campaign finance. He also serves on the Finance Committee; the Committee on Banking, Housing, and Urban Affairs; and the Judiciary Committee, where he chairs the Subcommittee on Immigration, Refugees, and Border Security.

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bestow membership in our Alumni Association. When I graduated, more than 20 years ago, I thought I had taken advantage of all Hunter had to offer and I was now on my own. I was so wrong! I was invited back as an alumna and was pleasantly surprised to discover a vibrant, active, multigenerational Alumni Association. In addition to gaining the personal satisfaction of giving back to the College, I have made new friends and colleagues who have greatly enriched my life. It is now my honor to welcome each of you to the Alumni Association and its grand tradition of serving the College and supporting each other since its founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to "leave school behind." As you make your way through the world, remember that you have a world-wide family of over 100,000 fellow alumni: some are your fellow graduates, many have gone before you. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, large and small, as evidenced by our growing list of Alumni Hall of Fame members in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you an enduring way to enhance your life as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group, the Athletic Boosters. Get involved with a local or special-interest chapter such as BOND or start a new one. Check in on Facebook, LinkedIn, Google+ and Twitter. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and maybe as an officer!

Hanging out at Hunter is easy with an Alumni Card that gives you access to the campus, the library, the computer lab, the recreational facilities, and Career Development Services. This access is a lasting benefit that comes with your Hunter degree. Call the Alumni Office at 212.772.4087 to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Sincerely,

Anne Seifried

Dear Graduates:

Congratulations! On this Commencement Day, new and exciting opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it's a great time to reflect on the Hunter education that has prepared us for our exciting futures.

Although we'll be leaving Hunter and entering the next chapter of our lives, this doesn't have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the College that will represent our class and our unique achievements. This gift is also an expression of gratitude for the wonderful education that each of us has received — and our first chance to give back to the College that has given us so much.

For 143 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Hunter's rankings skyrocketed in 2012, when *U.S. News & World Report* again placed us in the top tier of institutions – public or private – nationwide, and *The Princeton Review* saluted us for the fourth year in a row as a “Best Value” public college.

These prestigious rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because these rankings are based in part on donor participation. Every gift to Hunter, regardless of size, is essential. Your gift to the Legacy Gift campaign supports the Hunter students of tomorrow and enhances the value of the degree that you are receiving today.

The Legacy Gift Committee is asking all seniors to help choose the perfect gift to leave as our special legacy, something that will not only symbolize our class but also benefit future students. We want to hear your suggestions. To submit ideas, please email Hunter's Office of Alumni Relations at [alumnirelations@hunter.cuny.edu](mailto:alumnirelations@hunter.cuny.edu).

So that we may fulfill our promise to the College and demonstrate the commitment of our class, we are asking you to consider adding your name to the Class of 2013 Legacy Gift campaign. Our suggested donation is \$20.13, but any gift is greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

To contribute online, please visit <https://community.hunter.cuny.edu/legacygift>. Checks can be made out to The Hunter College Foundation, with “2013 Legacy Gift” in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

We are immensely grateful for your participation and support in helping to make the Class of 2013 Legacy Gift campaign a success.

Best wishes to you in your future endeavors.

Sincerely,

*Legacy Gift Committee*

## Academic Heraldry

---

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities . . . . .	<i>White</i>
Business . . . . .	<i>Sapphire Blue</i>
Education . . . . .	<i>Light Blue</i>
Engineering . . . . .	<i>Orange</i>
Health Sciences . . . . .	<i>Kelly Green</i>
Law . . . . .	<i>Purple</i>
Medicine . . . . .	<i>Green</i>
Nursing . . . . .	<i>Apricot</i>
Pharmacy . . . . .	<i>Olive</i>
Philosophy . . . . .	<i>Dark Blue</i>
Sciences and Mathematics . . . . .	<i>Golden Yellow</i>
Social Sciences . . . . .	<i>Dark Blue</i>
Social Work . . . . .	<i>Citron</i>
Theology . . . . .	<i>Scarlet</i>
