### **Christine C. Quinn, Commencement Speaker, Recipient of the Hunter College Distinguished Public Service Award**

Christine Quinn has spent her career in public service, fighting for policies and services that are critical to the lives of New Yorkers. She started out as a housing organizer, helping low-income tenants stay in their homes and protecting affordable housing. As the director of the Gay & Lesbian Anti-Violence Project, Quinn worked closely with the NYPD against hate crimes. Beginning in 1999, she served Manhattan's lower west side in the New York City Council.

In 2006, Quinn was elected Speaker of the City Council, where she negotiated on-time, balanced City budgets, reducing government spending and preventing cuts to key services. She has been a leader in the fight to eliminate unfair taxes and unnecessary regulation on small businesses. Quinn has helped develop an economy of innovation through tax credits and initiatives to support new ventures, and created a program that drastically reduced the average wait for government inspections for new businesses. A longtime advocate for affordable housing, Quinn renewed incentives for developers who build affordable units. She also passed legislation that allows landlords to be taken to court for interrupting essential services, and forces them to repair dangerous apartments.

As the first openly gay Speaker of the City Council, Quinn worked extensively on issues of justice and equality. She emerged as a leading voice in the fight for marriage equality in New York State, and has made fighting hate crimes a particular emphasis. Quinn legislated against harassment at reproductive health clinics and coordinated a public/private partnership to expand free HIV testing for tens of thousands of public hospital patients.

Quinn and her wife, Kim Catullo, live in Chelsea, with their dogs.

### **Holland Cotter, Doctor of Humane Letters**

Holland Cotter is co-chief art critic and a senior writer at *The New York Times*.

Born in Connecticut in 1947 and raised in Boston, Cotter received an A.B. from Harvard College, where he studied poetry with Robert Lowell and was an editor of the *Harvard Advocate*. He later received an M.A. in art history, with a focus on American Modernism, from Hunter College of The City University of New York, and a master's of philosophy in South Asian art, with a focus on early Indian Buddhist art, from Columbia University, where he studied Sanskrit and taught Indian and Islamic art.

During the 1980s he was a contributing editor at *Art in America* and an editorial associate at *Art News*. In the 1970s, he co-edited *New York Arts Journal*, a tabloid-format quarterly magazine publishing fiction, poetry, and criticism.

In 2009, Cotter was awarded the Pulitzer Prize for Criticism, for coverage that included articles on art in China. In its citation, the Pulitzer committee said it was honoring Cotter for "his wide ranging reviews of art, from Manhattan to China, marked by acute observation, luminous writing and dramatic storytelling."

Art in New York City has been Cotter's regular weekly beat, which he has taken to include all five boroughs and most of the city's art and culture museums. His subjects range from Italian Renaissance painting to street-based communal work by artist collectives. For the *Times*, he has written widely about non-Western art and culture. Cotter introduced readers to a broad range of Asian contemporary art as the first wave of new art from China was building and breaking. He has helped bring contemporary art from India to the attention of a Western audience.

— *From the President of the Alumni Association* —

January 23, 2014

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bestow membership in our Alumni Association. When I graduated, more than 20 years ago, I thought I had taken advantage of all Hunter had to offer and I was now on my own. I was so wrong! I was invited back as an alumna and was pleasantly surprised to discover a vibrant, active, multigenerational Alumni Association. In addition to gaining the personal satisfaction of giving back to the College, I have made new friends and colleagues who have greatly enriched my life. It is now my honor to welcome each of you to the Alumni Association and its grand tradition of serving the College and supporting each other since its founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to leave school behind. As you make your way through the world, remember that you have a worldwide family of over 100,000 fellow alumni: some are your fellow graduates, many have gone before you. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, large and small, as evidenced by our growing list of Alumni Hall of Fame members in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you an enduring way to enhance your life as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group, the Athletic Boosters. Get involved with a local or special-interest chapter such as BOND or start a new one. Check in on Facebook, LinkedIn, Google+ and Twitter. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and maybe as an officer!

Hanging out at Hunter is easy with an Alumni Card that gives you access to the campus, the library, the computer lab, the recreational facilities, and Career Development Services. This access is a lasting benefit that comes with your Hunter degree. Call the Alumni Office at 212.772.4087 to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Sincerely,

Anne Seifried  
*President, Alumni Association of Hunter College*

January 23, 2014

Dear Graduates:

Congratulations! On this Commencement Day, new and exciting opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it's a great time to reflect on the Hunter education that has prepared us for our exciting futures.

Although we'll be leaving Hunter and entering the next chapter of our lives, this doesn't have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the College that will represent our class and our unique achievements. This gift is also an expression of gratitude for the wonderful education that each of us has received — and our first chance to give back to the College that has given us so much. This year's Legacy Gift Committee has decided that the 2014 Legacy Gift will be the Class of 2014 Textbook Scholarship.

For 144 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Hunter's rankings skyrocketed in 2013, when *U.S. News & World Report* again placed us in the top tier of institutions – public or private – nationwide, and *The Princeton Review* saluted us for the fifth year in a row as a “Best Value” public college.

These prestigious rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because these rankings are based in part on alumni donor participation. Every gift to Hunter, regardless of size, is essential. Your gift to the Legacy Gift campaign supports the Hunter students of tomorrow and enhances the value of the degree that you are receiving today.

So that we may fulfill our promise to the College and demonstrate the commitment of our class, we are asking you to consider adding your name to the Class of 2014 Legacy Gift campaign. Our suggested donation is \$20.14, but any gift is greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

Please visit <https://community.hunter.cuny.edu/legacygift> or use the envelope provided with this program. Checks can be made out to The Hunter College Foundation with “2014 Legacy Gift” in the memo line.

We are immensely grateful for your participation and support in helping to make the Class of 2014 Legacy Gift campaign a success.

Best wishes to you in your future endeavors.

Sincerely,

The 2014 Legacy Gift Committee

## Academic Heraldry

---

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities . . . . .	<i>White</i>
Business . . . . .	<i>Sapphire Blue</i>
Education . . . . .	<i>Light Blue</i>
Engineering . . . . .	<i>Orange</i>
Health Sciences . . . . .	<i>Kelly Green</i>
Law . . . . .	<i>Purple</i>
Medicine . . . . .	<i>Green</i>
Nursing . . . . .	<i>Apricot</i>
Pharmacy . . . . .	<i>Olive</i>
Philosophy . . . . .	<i>Dark Blue</i>
Sciences and Mathematics . . . . .	<i>Golden Yellow</i>
Social Sciences . . . . .	<i>Dark Blue</i>
Social Work . . . . .	<i>Citron</i>
Theology . . . . .	<i>Scarlet</i>

## Historical Note

---

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
