Arianna Huffington—Commencement Speaker, President’s Medal Recipient

Arianna Huffington is the cofounder, president, and editor in chief of the Huffington Post Media Group, and the author of 15 books.

In May 2005, she launched *The Huffington Post*, a news and blog site that quickly became one of the most widely read, linked to, and frequently cited media brands on the Internet. In 2012, the site won a Pulitzer Prize for national reporting.

Huffington has been named to *Time* magazine’s list of the world’s 100 most influential people and the *Forbes* Most Powerful Women list. Originally from Greece, she moved to England when she was 16 and graduated from Cambridge University with an M.A. in economics. At 21, she became president of the Cambridge Union, the famed debating society.

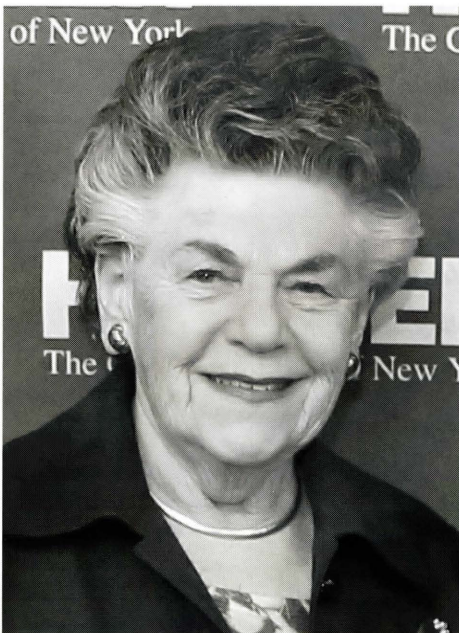

She serves on numerous boards, including those of the Center for Public Integrity and the Committee to Protect Journalists.

Her fifteenth book, *The Sleep Revolution: Transforming Your Life One Night At A Time*, on the science, history and mystery of sleep, was published in April 2016 and became an instant *New York Times* bestseller.

Klara Silverstein—Honorary Doctor of Humane Letters

Klara Silverstein

Klara Silverstein has had a long association with Hunter College. A double alumna of Hunter, she holds both a BA in social sciences ('54) and an MS in special education ('56) from the College, has been an active member and leader of Hillel at Hunter for many years, and is a longtime trustee of the Hunter College Foundation, which she chaired from 2000 to 2012.

Among her many civic activities, she is a former chair of the General Campaign of the United Jewish Appeal/Federation of Jewish Philanthropies of New York and a founding member of the Jewish Women’s Foundation of New York. She currently devotes much of her prodigious energy to educational programming and fund-raising for such organizations as the National Jewish Hospital in Denver, Food Allergy Research and Education, and the New York University Child Study Center. In addition, she is a trustee of the Museum of Arts and Design.

Through their generous philanthropic gifts, Klara and Larry Silverstein support education, medical research, organizations that meet humanitarian needs, and the arts. Married for 60 years, the Silversteins have three children and eight grandchildren.

— From *The Hunter College Foundation* —

June 2, 2016

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, this is a great time to reflect on the Hunter education that has prepared us for exciting futures.

Although we'll be leaving Hunter and entering the next chapter of our lives, this doesn't have to be goodbye. Every year the graduating class presents a Legacy Gift to the College that will represent the class and its unique achievements — and will support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education we have received — and our first chance to give back to the College that has given us so much.

For 146 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Both *U.S. News & World Report* and *The Princeton Review* have consistently given our college high marks in their annual reviews of U.S. postsecondary institutions.

These rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because the rankings are based in part on donor participation. Every gift to Hunter, regardless of its size, is essential.

The Legacy Gift Committee has asked all graduating seniors to help choose the perfect gift to leave as our special legacy, a gift that will not only symbolize our class but also benefit future students. In response, the current seniors have chosen to raise money for cell phone charging stations, which will surely benefit future classes.

We are asking you to add your name to the Class of 2016 Legacy Gift campaign. Our suggested donation is \$20.16, but every gift is important and greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

To contribute online, please visit <https://community.hunter.cuny.edu/legacygift>. Checks can be made out to The Hunter College Foundation, with "2016 Legacy Gift" in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text "Hunter" [your first and last name] to 20222 to make an automatic donation of \$10.

We are immensely grateful to you for helping to make the Class of 2016 Legacy Gift campaign a success.

On behalf of the Office of Alumni Relations and the Alumni Association of Hunter College, congratulations and best wishes in your future endeavors. To learn more about both offices please visit www.hunter.cuny.edu/main/alumni or www.alumniassociationofhuntercollege.org.

Sincerely,

Legacy Gift Committee

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
