Richard Stengel, Under Secretary of State for Public Diplomacy and Public Affairs

Richard Stengel recently completed his tenure as the longest-serving Under Secretary of State for Public Diplomacy and Public Affairs in American history, serving from February 14th, 2014 to December 7th, 2016. At the State Department, he oversaw the bureaus of Educational and Cultural Affairs, International Information Programs, Public Affairs, and the Global Engagement Center, the State Department's lone entity tasked with combating violent extremist messaging around the world.

Before joining the State Department, Stengel was the editor of *TIME* from 2006 to 2013, where he oversaw all print and digital platforms, domestic and international. Under his leadership, *TIME* won 2012's Ellie Award for Magazine of the Year, and that same year, Stengel received an Emmy award for his work as executive producer of *TIME*'s documentary, "Beyond 9/11: Portraits of Resilience." From 2004 to 2006, he was president and chief executive officer of the National Constitution Center in Philadelphia.

From 1992 to 1994, Stengel collaborated with South African politician and philanthropist Nelson Mandela on *Long Walk to Freedom*, Mandela's autobiography. Stengel later wrote a book about that collaborative experience, the *New York Times* bestseller *Mandela's Way*, and was an associate producer on the 1996 Oscar-nominated documentary, *Mandela*.

Stengel has written for many publications and is the author of several other books, including *January Sun: One Day, Three Lives, A South African Town* and *You're Too Kind: A Brief History of Flattery*. He also edited and wrote the introduction to the *The Constitution: The Essential User's Guide*, published by *TIME*.

In 1999, Stengel was the Ferris Professor of Journalism at Princeton University, the place where he earned his undergraduate degree. He also received a Rhodes Scholarship and studied at Oxford University.

From The Hunter College Foundation

January 19, 2017

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, we are eagerly focusing on the exciting future that awaits us, thanks to our Hunter education.

However, although we'll be leaving Hunter and entering the next chapter of our lives, Hunter will always be part of us—and one significant way of enriching that connection is through the Legacy Gift. Every year the graduating class presents a Legacy Gift to the College that will represent the class and its achievements — and will support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education we have received, and our first chance to give back to the College that has given us so much.

For 147 years, Hunter has been carrying out an essential mission: providing an outstanding education to a diverse student body at an affordable price. As clear evidence of the College's success in fulfilling its mission, both *U.S. News & World Report* and *The Princeton Review* have consistently given Hunter high marks in their annual reviews of U.S. postsecondary institutions.

These rankings increase the value of your Hunter degree, and your alumni gift itself can also further support that value, because the rankings are based in part on donor participation.

The Legacy Gift Committee asked all graduating seniors to help choose the perfect gift to leave as our special legacy, a gift that will not only symbolize our class but also benefit future students. In response, the current seniors have chosen to raise money for a lounge area where students can meet to study and socialize. This will surely benefit future classes.

We hope you will add your name to the Class of 2017 Legacy Gift campaign. We suggest a donation of \$20.17, but every gift is important. No gifts are too small, and our goal is 100% class participation!

To contribute online, please visit <https://community.hunter.cuny.edu/legacygift>. Or you can send a check, made out to The Hunter College Foundation, with "2017 Legacy Gift" in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text "Hunter" [your first and last name] to 20222 to make an automatic donation of \$10.

We are immensely grateful to you for helping to make the Class of 2017 Legacy Gift campaign a success.

On behalf of the Office of Alumni Relations and the Alumni Association of Hunter College, congratulations on your graduation, and best wishes in your future endeavors.

Sincerely,
Legacy Gift Committee

P.S. To learn more about our alumni offices please visit www.hunter.cuny.edu/main/alumni or www.alumniassociationofhuntercollege.org.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
