“THE GOOD SHIP ALMA MATER”

---

The good ship Alma Mater rides at anchor in the bay,  
With all her colors flying in the summer wind to-day;  
For years she stoutly bore us, but now the ocean's past,  
And in the hoped-for haven she has landed us at last.

O good ship Alma Mater, we bid farewell to thee;  
Stand stately in the harbor, ride queen-like on the sea!  
May never storm come nigh thee, may never tempest make  
Thy mighty masts to quiver, thine oaken sides to shake.

O you who sailed before us in the good ship long ago,  
We follow'd where you led us, stars above and sea below!  
You led us like a beacon that lit the seething foam,  
You led us like the glitter of a star that pointed home.

O you who shall come after, we give you all God speed!  
Stand by the Alma Mater and serve her at her need.  
Till you, too, pass the billows that hold you from the shore.  
Till you, too, ride at anchor, and plough the waves no more.

O good ship Alma Mater, a long farewell at last!  
We're hopeful for the future, we're grateful for the past;  
Sail on thro' sunny waters; with more than lips can tell  
Of sorrow at our parting, we speak the last farewell.

—Helen Gray Cone, Class of '76
