GRADUATION SONG—"The Good Ship Alma Mater"

*G. Mangold*

The good ship Alma Mater rides at anchor in the bay,  
With all her colors flying in the summer wind to-day;  
For years she stoutly bore us, but now the ocean's past,  
And in the hoped-for haven she has landed us at last.

O good ship Alma Mater, we bid farewell to thee;  
Stand stately in the harbor, ride queen-like on the sea!  
May never storm come nigh thee, may never tempest make  
Thy mighty masts to quiver, thine oaken sides to shake.

O you who sailed before us in the good ship long ago,  
We follow'd where you led us, stars above and sea below!  
You led us like a beacon that lit the seething foam,  
You led us like the glitter of a star that pointed home.

O you who shall come after, we give you all God speed!  
Stand by the Alma Mater and serve her at her need;  
Till you, too, pass the billows that hold you from the shore.  
Till you, too, ride at anchor, and plough the waves no more.

O good ship Alma Mater, a long farewell at last!  
We're hopeful for the future, we're grateful for the past;  
Sail on thro' sunny waters; with more than lips can tell  
Of sorrow at our parting, we speak the last farewell.
