GRADUATION SONG— "The Good Ship Alma Mater"

G. Mangold

The good ship Alma Mater rides at anchor in the bay,
With all her colors flying in the summer wind to-day;
For years she stoutly bore us, but now the ocean's past,
And in the hoped-for haven she has landed us at last.

O good ship Alma Mater, we bid farewell to thee;
Stand stately in the harbor, ride queen-like on the sea!
May never storm come nigh thee, may never tempest make
Thy mighty masts to quiver, thine oaken sides to shake.

O you who sailed before us in the good ship long ago,
We follow'd where you led us, stars above and sea below!
You led us like a beacon that lit the seething foam,
You led us like the glitter of a star that pointed home.

O you who shall come after, we give you all God speed!
Stand by the Alma Mater and serve her at her need;
Till you, too, pass the billows that hold you from the shore.
Till you, too, ride at anchor, and plough the waves no more.

O good ship Alma Mater, a long farewell at last!
We're hopeful for the future, we're grateful for the past;
Sail on thro' sunny waters; with more than lips can tell
Of sorrow at our parting, we speak the last farewell.
