GOD
did not allow
such tragedy
maybe if our
trust was already
invested in him
it would not have
happened.

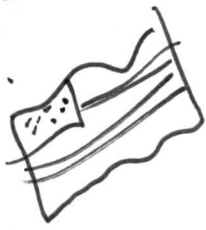

So it's our fault? It
happened because we pissed
off God? Nice god you worship,
dude. CS

You mean the god
who ALLOWED THIS
TO HAPPEN?? That
god? No thank.

America
Must Go back
to

We've tried peace once
by letting these people continue
to live and look where it has got
us. Now, we need to fight for what
we believe in.

AMERICA
WILL FIGHT
TO DEFEND
ITSELF

Are U willing to fight?

We can choose to FIGHT

OR

We can choose PEACE

JUSTICE & VENGEANCE is GOD'S

NOT OURS

ALIVE
AND
WELL
IN NEW YORK CITY

The tragedy that has occurred will always remain in our memories for the rest of our lives. May "God Bless America" is the only thing I could say from the bottom of my heart. May He comfort all those people who have lost the people who they loved. My heart is out to seeing all these and I can't still understand what and how can somebody do these.

Dios bendiga America,
Christina Rojas (9.14.01)

This is the worse I have ever experienced. Even though I do not lose my family in the 9/11 event, I did know the pain losing your lovely ~~person~~ person. However, God will you get through this. Turn to God and you will find a new way!

9/14/01

My Deepest
Sympathy and sorrow
goes out to the people and
families whose lives have been
changed forever due to this horrible
tragedy. You all remain in my prayers.
All of New York should pray for the life of this
City as well, and hope that it stays standing for many
many years to come.

AC

GOD BLESS
AMERICA...
OUR HOME SWEET
HOME.

In this time of great need, we should
all join together not as a nation
but as brothers and sisters who
have experienced crimes of hate.
It is not just America or Americans
that are hurting, its everyone all
over the world. Please remember this
when we go outside or when talk about
Such acts as bombing any country.
One act of violence + another act of violence
doesn't equal peace. It equals more violence,
hate and death. Two wrongs don't make
a right. Peace and Love! Hope and Strength!
B.S.

God Bless
all the families
of the victims.
You will
always be
in my prayers.
JK

Let's
keep hope, faith
and unity in our
minds. To keep us
together...
to make us stronger.

— Be reminded, many have
ignored the fact that
there are also ^{some} Chinese victims
and ^{some} volunteers.
some Chinese

Although the Chinese government in
China may not assist the US in the
aspect of terrorism, because of the bad
experiences with the US president Bush,
~~and~~ and although some ignorant Chinese
dis-respect people's life as a result of bad
feeling to ~~the~~ some unpleasant events,
that never means all Chinese are not
sympathetic and ~~do~~ do not feel bad about
the tragedy on 11th Sept, 2001.

Generalization can cause misunderstanding &
hate. So beware of that, think more &
see more.

Peace & Inter-understanding
in the world! 

This is a good day

To gaze at a blue sky
To hear the whisper of the wind
To see the smile of a friend
To journey home by a different path
To hear the lilt of a child's laugh
To catch the smell of fresh paint
To watch the patterns in puddles of rain
To taste the sweetness of honeydew mellow
To hear the yap of a barking dog
To see a collage of colorful shirts
To feel the pain of another's hurt
To sift on a beach thru' grains of sand
To hold in your clasp a loved-one's hand
If it be my last, if it be my last

This is a good day.

Something must be wrong with me....

Although I feel deeply for the victims, I

have no tears....

I want to
cry but
I hold back
the tears,
fearing I
wouldn't be
able to stop
after I've begun.

Many thanks to the Professors who took the time out to address the terrible tragedy that took place last Tuesday. Their concern that some of us may have been involved or affected is deeply appreciated. For those who did not and carried on their lessons as usual, perhaps you should have taken your students into consideration - for example, maybe those who did not show up, that they met up with that misfortune or lost a relative or close friend. Were the students really up to learning with the entire city under seige? Perhaps they just showed up for fear that you would hold their absence against them (as some do). It may be a good idea to put things on hold for a short time and show your students some consideration.

This is the
day that the
lord has made
let us rejoice
and be glad in it.
Psalm 118:24

Do not repeat the hostility towards the Majority because of a few, like the Japanese experienced in WW2. They were your Compatriots then as the Arab-Americans are now!!!

PUT YOUR

"The opposite of war isn't peace... it's creation" → was hard as it is, we must rebuild + recreate our Faith + our security otherwise they win.

IGNORANCE = STUPIDITY

I think of everyone who has died in the explosion!

Very one of us was to face
the weight of death sometime
And find out what it's like
to be left behind. Sometime
you don't get a chance to
smile for a while
so let just blow
the world's beauty
out of our fragile
hearts.

We must find another answer to this situation besides more innocent deaths. People do not put their lives on the line without reason. We must examine the reasons why other nations hate our country. We must change their opinion of us. We must change the anger in their hearts and the desire that drives them to terrorist action and that which will lead us to unnecessary violence. If we as a nation use our strength and resources to help other countries instead of exploit them then maybe extremist philosophies would have no grounds to exist and have no support.

Of course everyone is different it could be been a white person who did this but just cause it was a muslim everyone against not the muslims now. That's not the American way. Peace.

There is a fine difference between a Muslim and a terrorist we should all know this!

OUR
PRAYERS + THOUGHTS
GO OUT TO ALL OF THOSE
WHO HAVE LOST LOVED ONES AND
TO ANYONE SUFFERING.

WHILE THIS
FIGHTS ALL ENEMIES
WE REQUEST
THE WORLD

- BRAVE NATION OF FREEDOM;
- WE AMERICANS SHOW OUR UNIQUE STRENGTH BY
- KEEPING THE PEACE.
- PROTECTING THOSE IN NEED
- DOING AT LEAST ONE ACT OF KINDNESS A DAY WITH NO EXPECTATIONS OF ANYTHING IN RETURN.

I would like to express my deepest sympathy to all the families and friends that were killed or injured in this tragedy.
God Bless All.

God Bless our survivors,
Speed and Rest to the people we've lost.
God Bless America and our unity that we will find in times of need. The many people of out here for those we lost in here merge.

I will never look at the picture of the twins the same way. Love

If the bombings continue,
it may very well be an end
to life in America as we know
it. I hope Pres. Bush retaliates
in a way that won't allow this
to happen. Both America and the
families of those who died deserve
restitution from these terrorists.

Let's hope Pres. Bush is just as
crafty as those attackers were to
the U.S., and gives them back the
same slit they gave us - only not
through their (if that's possible).
God Bless America.

To those who lost a loved one you are in our hearts, thoughts and prayers. You and your loved ones shall never be forgotten.

To all the firefighters, police officers, EMS, and construction workers, your bravery and heroism has touched a nation. Your tireless efforts are to be thanked from the bottom of our hearts.

To every New Yorker: You have shown the world what it means to be a true “New Yorker”. Your generosity, kindness and civility will always be remembered by the lives you’ve touched.

To the people who committed this awful crime: May God have Mercy on your souls because no one else will.

Robert J. Emrich

I am proud 2B a New Yorker & an American.

We have, through the incredible work of all volunteers and will continue to show the world

this will make our country only stronger. I hope to see the correct people punished, though nothing will change what has happened.

Thank you to all for your efforts. @. ♥. 😊

remember new york's
bravest and finest -
they're the real heroes...

In light of this terrible tragedy, I
would just like to say that what
lies behind us and what lies before
us are tiny matters compared to what
lies within us. We will; in unison,
go on forever.

- Wilfredo

So many is still missing, so many presumed
dead, & yet so many injured. Terrorists tried to destroy the
lives of American by deteriorating of pride but they
failed. America is strong & will become stronger. The pride
in the American hearts would remain. To the family of
victims, I hope they remain strong for the sake of
the ones we all lost. Who ever did this would be hit
harder than how they hit us. GOD BLESS AMERICA.

Confusion

Why do things happen?
How can that change?

Why do things happen?
Why do we blame?

I look at you
You look at me

We have no clue
And never see the similarity
We breathe the same air

We live under one sky.
Why do we stare?

Why must we cry?

We may look different from each other,
Have a dissimilar belief

We can't distinguish by our thoughts
Or then we'll never prevent grief

Hold my hand

As I look at you, please look at me
If you see we're the same,
And be together we'll stand

together for
eternity

We want a world peace !! Not a War !!!

We should not repeat same mistake !!!

I have never felt more love for my fellow New Yorkers - especially those who are the victims of prejudice in all its forms. Now is the time to look each other in the eye and see the humanity in each one of us.
