

# NURSING

## -- Recommended Research Resources --

### BOOKS

Locate books in the Health Professions Library by using the **CUNY+ Online Catalog** available at <http://libraries.cuny.edu/>. Books about nursing are organized mainly under **call number RT**. If you wish to browse the stacks for nursing books, look on the second floor of the Health Professions Library. Some major nursing topics include:

Community/Pubic Health Nursing	RT98	Nursing Management	RT89
Critical Care	RT120	Nursing Profession	RT82
Fundamentals of Nursing	RT41	Nursing Research	RT73, RT81, RT90
History of Nursing	RT31	Nursing Theory	RT84
Nurses-Midwifery	RG951	Orthopedic Nursing	RD753
Nursing Ethics	RT85	Psychosocial Nursing	RC440
		Transcultural Nursing	RT86.54

### ARTICLES

To find journal articles on nursing topics, start with one of the following recommended indexes. To access these databases from home, you will need to sign up for access to the library's proxy server. For directions, visit <http://library.hunter.cuny.edu/proxy.htm>.

Online Indexes - Available at <http://library.hunter.cuny.edu/webres.htm>

#### CINAHL

This is the core nursing database. Some articles may be available in full text. If full text is not available, locate a print copy of the journal using the online catalog CUNY+.

#### Cochrane Database

Collection of evidence-based databases including: systematic reviews, methodology reviews, methodology register, and registry of controlled trials.

#### Health Reference Center (InfoTrac)

Locate full-text articles from a wide variety of publications including practitioner journals, popular magazines and scholarly periodicals.

#### Health Source: Nursing/Academic Edition

Indexes nearly 850 journals, half of these are peer-reviewed; many are available in full-text back to 1975. Contains some core nursing journals including *Journal of Advanced Nursing*, *Journal of Clinical Nursing*, and *Nursing Management*.

#### LWW Nursing & Health Prof. Premier (Ovid)

Includes full text of articles, reviews, editorials, announcements, abstracts of symposia in nearly 1000 sources with over 100 in nursing.

#### Medline

This is the premier database containing journals in medicine, nursing, dentistry, health care, and pre-clinical sciences. Locate full text via e-journals or in the library using the online catalog CUNY+.

#### SAGE: Health Sciences/Nursing Collection

Contains 7,000+ full text articles in nursing, social studies of health, nursing research, community / public health nursing, adult health nursing, holistic nursing, nursing theory, and pediatric nursing.
