COMMENCEMENT HONOREES

Leonard Lopate, Commencement Speaker and Recipient of Doctorate of Humane Letters

Leonard Lopate has been the host of the acclaimed public radio talk show *The Leonard Lopate Show* on WNYC since 1985. During that time, over the course of some 4,800 programs, he has been the gold standard for radio interviews. More than 16,000 guests from a variety of disciplines have appeared on the show, which is America's highest-rated local public radio talk show.

Lopate also appears regularly at the 92nd Street Y, where he interviews some of the most compelling figures in the nation and moderates a series of panel discussions, "Comparing Notes."

Lopate grew up in Brooklyn and saw his first Dodgers game at Ebbets Field during the historic 1946 season. He attended P.S. 19, J.H.S. 50 and Eastern District High School, and spent a year studying at the Pratt Institute before receiving a BFA at Brooklyn College. Lopate was enrolled in Hunter College's MA Program in Creative Art from 1968 to 1971, where he studied with Mark Rothko. He also worked in advertising for 15 years as an art director and copywriter. He came to radio in 1977, when he was given the opportunity to host "Round Midnight" on WBAI, and was so engaged by the medium that he went on to make it his life's work.

Ellen Barkin, Recipient of Doctorate of Fine Arts

Ellen Barkin is one of the most respected and versatile actresses on the screen. A true product of New York, she was born in the Bronx and raised in Queens. She attended New York's High School for the Performing Arts and studied history and drama at Hunter College.

Barkin debuted on stage in 1980 in *Irish Coffee* and continued her theater work while appearing the following year in the soap opera *Search for Tomorrow*. She had roles in various TV movies before making her critically acclaimed film debut as the neglected wife of an obsessive record collector in Barry Levinson's *Diner*.

Over the next 23 years, Barkin appeared in almost 40 movies, among them such critically acclaimed titles as *Tender Mercies*, *The Big Easy*, *Sea of Love*, *Switch* and *This Boy's Life*. She has worked with some of the most respected names in the business, including Sidney Lumet, Robert Duvall, Paul Newman, Joanne Woodward, Jim Jarmusch, Dennis Quaid, Al Pacino, Blake Edwards, Jack Nicholson, Robert De Niro, Laurence Fishburne, and Spike Lee. Barkin is a two-time Golden Globe nominee and won the Emmy Award for Outstanding Lead Actress for her role in the Oprah Winfrey Presents production of *Before Women Had Wings*.

Barkin is currently starring in the Todd Solondz film, *Palindromes*. She still lives in New York City and is teaching acting in the Graduate Department of The New School.

Eva Moskowitz, Recipient of President's Medal

New York City Council Member Eva Moskowitz has represented Manhattan's 4th District since November 1999. In January 2002, her colleagues in the City Council voted unanimously to make her chair of the Education Committee. She also serves on the Finance, Government Operations and Transportation Committees and is widely recognized as one of the City Council's most active and accomplished leaders. The author of ten local laws, Moskowitz has influenced a wide range of policy areas, including tenants' rights, gay rights, gun control, and health care.

A product of the New York City public schools and a public school parent herself, Moskowitz is an advocate for public education. She has held almost 100 committee meetings, provided oversight of the Mayor's "Children First" reforms, and issued in-depth reports on topics ranging from science education to teacher retention. Moskowitz holds a PhD in American history from Johns Hopkins University and a BA from the University of Pennsylvania. She taught history at the University of Virginia, Vanderbilt, CUNY, and Columbia. Prior to her election to the Council, Moskowitz served as the executive director of ReadNet, a family literacy program, and taught civics at Prep for Prep, a program for gifted minority students.

L. Michael Griffel, Recipient of President's Medal

L. Michael Griffel is professor of music and acting associate provost at Hunter. Trained at Yale, Juilliard, and Columbia in music theory, piano, and historical musicology, respectively, he began teaching at Hunter in 1970. Among his many roles have been associate dean of the School of Arts and Sciences, chair of the Department of Music, and acting chair of the Thomas Hunter Honors Program. In 1977 he joined the doctoral faculty in music of The Graduate Center of CUNY. He taught graduate courses at the Mannes College of Music from 1980 until 1999, and he joined the doctoral faculty of the Juilliard School in 1997. Griffel is vice president of the American Beethoven Society, New York Chapter. His research area is music of the 19th century, with an emphasis on Schubert.

Dear Alumnus/a:

Congratulations! You have read hundreds of books and Web pages and written scores of papers, presentations, analyses, and reports—and now you can claim your reward. You have earned a degree from one of the finest colleges in the nation, and you have every right to be proud.

As a Hunter graduate you automatically become a life member of the Alumni Association of the college, and I am delighted to welcome you. We are your official liaison to Hunter and we are eager to keep you informed of developments at your alma mater.

We are also eager to see you. The Alumni Association sponsors a host of events and projects for students and alumni, and we hope you will take advantage of many of them; we think you will find them exciting, thought-provoking, and useful. Among the association's initiatives are scholarships, lectures, workshops, book clubs, the Alumni Hall of Fame, regional chapter events, the fall alumni luncheon, and the annual birthday luncheon held each spring.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences and Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
