Alphonso B. David, Counsel to the Governor

Alphonso B. David is an attorney, law professor, and policy advisor with significant litigation and management experience in the public, private, and nonprofit sectors.

Appointed Counsel to the Governor in 2015 by Governor Andrew Cuomo, David is the governor's chief counsel and principal legal advisor and oversees all significant legal and policy deliberations affecting New York State. Among his charges, he evaluates proposed legislation; implements laws and policies; and formulates the state's posture in a wide range of litigation.

Prior to his current appointment, David served for four years in the governor's cabinet as the deputy secretary and counsel for civil rights, the first position of its kind in New York State. In this capacity, he was responsible for a full range of legal, policy, legislative, and operational matters affecting civil rights and labor throughout the state. David also previously served as special deputy attorney general for civil rights for the office of the New York State Attorney General. He has also been deputy commissioner and special counselor at the New York State Division of Human Rights.

Before working in the public sector, David was a staff attorney at the Lambda Legal Defense and Educational Fund, where he litigated precedent-setting civil rights cases across the nation affecting LGBT individuals as well as people living with HIV. He handled both matters relating to marriage, parenting rights, discrimination in schools, and access to health care. He began his legal career as a judicial clerk to Clifford Scott Green in the United States District Court for the Eastern District of Pennsylvania.

For the past decade, David has been an adjunct professor of law, first at Fordham University Law School and most recently with the Benjamin N. Cardozo School of Law, where he teaches "Constitutional Law: Sexuality and the Law."

Alphonso B. David is a graduate of the University of Maryland and the Temple University School of Law.

From The Hunter College Foundation

Dear Graduates:

Congratulations! On this Commencement Day new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, we are eagerly focusing on the exciting future that awaits us, thanks to our Hunter education.

Although we'll be leaving Hunter and entering the next chapter of our lives, Hunter will always be part of us—and one significant way of enriching that connection is through the Legacy Gift. Every year the graduating class presents a Legacy Gift to the College that will represent the class and its achievements, and support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education we have received—a chance to give back to the College that has given us so much.

For 147 years, Hunter has been carrying out an essential mission: providing an outstanding education to a diverse student body at an affordable price. As clear evidence of the College's success in fulfilling its mission, both *U.S. News & World Report* and *The Princeton Review* have consistently given Hunter high marks in their annual reviews of U.S. postsecondary institutions.

These rankings increase the value of your Hunter degree, and your alumni gift itself can further support that value, because the rankings are based, in part, on donor participation.

The Legacy Gift Committee has asked all graduating seniors to help choose the perfect gift, one that will not only symbolize our class but also benefit future students. In response, the current seniors have chosen to raise money for a lounge area where students can meet to study and socialize. This will surely benefit future classes.

We hope you will add your name to the Class of 2017 Legacy Gift campaign. We suggest a donation of \$20.17, but every gift is important. No gifts are too small, and our goal is 100% class participation!

To contribute online, please visit hunter.cuny.edu/legacygift. Or you can send a check, made out to The Hunter College Foundation, with "2017 Legacy Gift" in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1314, New York, NY 10065.

Or, simply text "Hunter" [your first and last name] to 20222 to make an automatic donation of \$10.

We are immensely grateful to you for helping to make the Class of 2017 Legacy Gift campaign a success.

On behalf of the Office of Alumni Relations and the Alumni Association of Hunter College, congratulations on your graduation, and best wishes in your future endeavors.

Sincerely,

Legacy Gift Committee

P.S. To learn how you can receive an alumni card giving you access to Hunter resources and alumni benefits after graduation, please visit www.hunter.cuny.edu/main/alumni.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education.	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
