Commencement Honoree

Rossana Rosado — Commencement Speaker

The first woman to serve as editor and publisher of the largest Spanish-language newspaper in the country, a champion of prisoner re-entry initiatives, and an award-winning producer, Rossana Rosado brings great depth and diversity of experience to her position as New York Secretary of State. Appointed to the post in 2016 by Governor Andrew Cuomo and unanimously confirmed later in the year by the New York State Senate, Secretary Rosado has helped make the department she leads one of the most dynamic agencies in state government.

Best known for her successful tenure as the publisher and CEO of *El Diario La Prensa*, where she spent 18 years, Rosado oversaw the publication of articles on a host of major issues ranging from women's empowerment, to the re-entry and reintegration of prisoners into society, to a fairer and more humane immigration policy.

New York Secretary of State Rossana Rosado

In the editorial pages of *El Diario La Prensa*, Rosado advocated on issues affecting a wide array of New Yorkers, and both she and the paper were widely acclaimed as influential leaders for social and economic justice. During her 30-year media career she earned an Emmy Award, a STAR Award from the NY Women's Agenda, and a Peabody Award for Journalism.

Equally acclaimed for her roles in public service, Rosado served on the board of the Port Authority of New York and New Jersey from 2012 to 2015 and was reappointed to the board in 2017. She was a Distinguished Lecturer at the John Jay College of Criminal Justice and has been a member of the College's Foundation Board of Trustees since 2012. She has also been deeply involved in issues related to prisoner re-entry. She chairs Governor Cuomo's Council on Community Re-entry and Reintegration of New Yorkers returning from prison and served on Governor David Paterson's Task Force on Juvenile Justice. She has taught at Sing Sing and Otisville Correctional Facilities in New York State.

A native New Yorker, Rosado received her BA in journalism from Pace University.

From The Hunter College Foundation

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue further degrees, or to begin or advance our careers, we are all eagerly focusing on the exciting future that awaits us, thanks to our Hunter education.

Although many will be leaving Hunter, all of us will be entering the next chapter of our lives and Hunter will always be part of us. One significant way of enriching that connection is through the Legacy Gift. Every year the graduating class presents a Legacy Gift to the College that will represent the class and its achievements and support tomorrow's Hunter students. This gift is also an expression of gratitude for the wonderful education we have received — a chance to give back to the College that has given us so much.

For 148 years, Hunter has been carrying out an essential mission: providing an outstanding education to a diverse student body at an affordable price. As clear evidence of the College's success in fulfilling its mission, both *U.S. News & World Report* and *The Princeton Review* have consistently given Hunter high marks in their annual reviews of U.S. postsecondary institutions.

These rankings increase the value of your Hunter degree, and your alumni gift itself can further support that value, because the rankings are based in part on donor participation.

The Legacy Gift Committee asked all graduating seniors to help choose the perfect legacy gift, which will not only symbolize our class but also benefit future students. In response, the current seniors chose to raise money for mobile printing stations and more printers; these will surely benefit future classes.

We hope you will add your name to the **Class of 2018 Legacy Gift campaign**. We suggest a donation of \$20.18, but every gift is important. No gifts are too small, none are too large, and our goal is 100% class participation!

To contribute online, please visit hunter.cuny.edu/legacygift. Or you can send a check, made out to The Hunter College Foundation, with "2018 Legacy Gift" in the memo line. Mail your contribution to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text "Hunter" [your first and last name] to 20222 to make an automatic donation of \$10.

We are immensely grateful to you for helping to make the Class of 2018 Legacy Gift campaign a success.

On behalf of the Office of Alumni Relations and the Alumni Association of Hunter College, congratulations on your graduation, and best wishes in your future endeavors.

Sincerely,

Legacy Gift Committee

P.S. To learn how you can receive an alumni card giving you access to Hunter resources and alumni benefits after graduation, please visit www.hunter.cuny.edu/main/alumni.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
