

HUNTER COLLEGE
OF THE CITY UNIVERSITY OF NEW YORK

178th
Commencement
Exercises

TUESDAY, JANUARY 26, 1999
HUNTER COLLEGE ASSEMBLY HALL

Liane B. Russell

Award-winning geneticist **Liane Brauch Russell** was born in Vienna and became a U.S. citizen in 1946. She received her AB (summa cum laude) in chemistry from Hunter College in 1945 and her PhD in genetics from the University of Chicago in 1949. Since 1947 she has been a scientist in the Biology Division of the famed Oak Ridge National Laboratory in Tennessee. Now a senior research fellow at Oak Ridge, Dr. Russell has made fundamental scientific contributions to basic genetics, including her discovery of the chromosomal basis for sex determination in mammals. In 1995 President Clinton awarded her the Enrico Fermi Award, the government's oldest science and technology award. For the past three decades, Dr. Russell – who is a member of the Hunter Hall of Fame – has had a second career as a volunteer activist for environmental causes.

Johnnetta B. Cole

Dr. Johnnetta Betsch Cole entered Fisk University at the age of fifteen and completed her undergraduate studies at Oberlin College. She earned a PhD in anthropology from Northwestern University and has taught cultural anthropology, African American studies and women's studies. From 1983 to 1987 she was Director of Hunter College's Latin American and Caribbean Studies Program; subsequently, she served for a decade as President of Spelman College, leading that school to its first-ever number one rating in *U.S. News and World Report's* annual college issue. She has been awarded more than forty honorary degrees, is a trustee of Gallaudet University and the Rockefeller Foundation, and serves on the Board of the Center for Research on Women at Wellesley College. Currently a member of the faculty at Emory University, Dr. Cole has edited many books and textbooks, including *All American Women* and *Anthropology for the Nineties*. She is the author of *Dream the Boldest Dreams* and *Conversations: Straight Talk with America's Sister President*.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semistiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects. The most common, including those used at Hunter College, are:

<i>Arts, Letters, Humanities</i>	White
<i>Business</i>	Sapphire Blue
<i>Education</i>	Light Blue
<i>Engineering</i>	Orange
<i>Health Sciences</i>	Kelly Green
<i>Law</i>	Purple
<i>Medicine</i>	Green
<i>Nursing</i>	Apricot
<i>Pharmacy</i>	Olive
<i>Philosophy</i>	Dark Blue
<i>Sciences & Mathematics</i>	Golden Yellow
<i>Social Sciences</i>	Dark Blue
<i>Social Work</i>	Citron
<i>Theology</i>	Scarlet

Historical Notes

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement and the Honors Convocation.

The walking stick carried by President David A. Caputo belonged to Thomas Hunter and bears the following inscription on its gold head: "To Prof. Thomas Hunter, Ph.D. — A former pupil's tribute of respect. 1879."

The lectern on the left side of the stage belonged to Thomas Hunter. The plaque on the lectern reads: "From this desk Dr. Hunter read the Holy Scriptures from 1850 to 1869 in old Grammar School No. 35."
