Wynton Marsalis, Commencement Speaker and Recipient of the President’s Medal

Wynton Marsalis, a New Orleans native, is an internationally acclaimed musician, composer, bandleader, and educator and a leading advocate of American culture. He is the world’s first jazz artist to perform and compose across the full jazz spectrum, from its New Orleans roots to bebop to modern jazz. In 1982 he made his recording debut as a bandleader; he has since recorded more than 70 jazz and classical recordings, and sold over 7 million worldwide. Marsalis has been awarded nine Grammy awards; in 1983 and 1984 he won both the classical and jazz Grammys, and he remains the only artist to attain this distinction. Marsalis made history again in 1997, when his oratorio Blood on the Fields became the first jazz work to win the Pulitzer Prize.

Marsalis’s creativity has been celebrated the world over. In 2001 he was appointed Messenger of Peace by Kofi Annan, secretary-general of the United Nations, and in 2005 he received the National Medal of Arts, the highest award given to artists by the United States government. Britain’s Royal Academy of Music granted him honorary membership, the Academy’s highest decoration for a non-British citizen. In 2009 the French Ministry of Culture named Marsalis a Chevalier of the Legion of Honor, France’s highest distinction.

Marsalis has written six books, including Moving to Higher Ground: How Jazz Can Change Your Life (Random House, 2008), with Geoffrey C. Ward; and Squeak, Rumble, Whomp! Womp! Womp! (Candlewick, 2012). Marsalis helped lead the effort to construct Jazz at Lincoln Center’s home—Frederick P. Rose Hall—the first education, performance, and broadcast facility devoted to jazz. In 2012 Marsalis was named cultural correspondent for CBS News, and in July 2014 he will join the Juilliard School as its director of jazz studies. He is the managing and artistic director of Jazz at Lincoln Center in New York City.

Eleanor Clift, Honorary Doctor of Humane Letters

Eleanor Clift covers politics for The Daily Beast website, where she writes about politics and policy in Washington and the partisan clashes that are the result of divided government. She has covered every presidential campaign since 1976. Clift is also a regular panelist on the syndicated talk show “The McLaughlin Group” and she has appeared as herself in several movies, including Dave, Independence Day, Murder at 1600, Rising Sun, and the CBS series “Murphy Brown.”

Clift and her late husband, Tom Brazaitis, who was a columnist for the Cleveland Plain Dealer, wrote two books together, War Without Bloodshed: The Art of Politics (Scribner, 1996), and Madam President: Shattering the Last Glass Ceiling (Scribner, 2000). She is also the author of Founding Sisters (John Wiley & Sons, 2003), about the passage of the 19th amendment, which gave women the vote; Two Weeks of Life: A Memoir of Love, Death and Politics (Basic Books, 2008), about the loss of her husband together with an examination of how we deal with death in America; and Selecting a President, co-written with Matthew Spieler (Thomas Dunne Books, 2012), a detailed analysis of how a president is elected in the United States.

Formerly Newsweek’s White House correspondent, Clift also served as the magazine’s congressional and political correspondent for six years. She began her career as a secretary to Newsweek’s national affairs editor in New York, and was one of the first women at the magazine to move from secretary to reporter. Clift left Newsweek briefly in 1985 to serve as White House correspondent for The Los Angeles Times, and returned the following year to cover the Iran-Contra scandal. In 1992 she was named deputy Washington bureau chief. In 2013 Clift officially left Newsweek, where she had been serving as contributing editor.

Clift lives in Washington, D.C., where she is on the advisory council of the International Women’s Media Foundation, the board of the Center for Politics and Journalism, and the Board of Governors of the National Hospice Foundation. Clift attended Hunter College from September 1962 to June 1965. She is the recipient of honorary degrees from Westfield University and Fitchburg State College, both in Massachusetts, and Brenau University in Georgia.

Dear Graduates of the Class of 2014:

Welcome to your future! Today you receive your degrees from Hunter College, which bestows upon you membership in our Alumni Association. When I graduated, 20+ years ago, I thought I had taken advantage of all Hunter had to offer and now I was on my own. I was so wrong! I was invited back as an alumna and was pleasantly surprised to discover a vibrant, active, multigenerational Alumni Association. In addition to the personal satisfaction of giving back to the College, I have made new friends and colleagues who have greatly enriched my life. It is now my honor to invite each of you to join the Alumni Association and its grand tradition of serving the College and supporting each other since the Association's founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to "leave school behind." As you make your way through the world, remember that you have a globe-spanning family of over 100,000 fellow alumni: Some are your fellow graduates, many have gone before you. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, large and small, as evidenced by our growing list of Alumni Hall of Fame members displayed in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you a lasting way to enhance your life, as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group, or Athletic Boosters. Get involved with a local or interest chapter (such as BOND) or start a new one. Follow us on Facebook, LinkedIn, Google+, Twitter, and Instagram. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and maybe as an officer!

Hanging out at Hunter is easy with an Alumni Card, which gives you access to the campus, the library, the computer lab, recreational facilities, and career development services. This is a lifelong benefit that comes with your Hunter degree. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter as part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it’s a great time to reflect on the Hunter education that has prepared us for our exciting futures.

However, though we’ll be leaving Hunter and entering the next chapter of our lives, this doesn’t have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the College that will represent our class and our unique achievements — and will support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education that each of us has received — and our first chance to give back to the College that has given us so much.

For 144 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Hunter’s rankings skyrocketed in 2012, when U.S. News & World Report again placed us in the top tier of institutions — public and private — nationwide, and The Princeton Review saluted us for the fourth year in a row as a “Best Value” public college.

These prestigious rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because these rankings are based in part on donor participation. Every gift to Hunter, regardless of its size, is essential.

The Legacy Gift Committee has asked all seniors to help choose the perfect gift to leave as our special legacy, a gift that will not only symbolize our class but also benefit future students. The seniors chose to raise money for a Textbook Scholarship which will greatly benefit future Hunter students.

We are asking you to consider adding your name to the Class of 2014 Legacy Gift campaign. Our suggested donation is $20.14, but every gift is important and greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

To contribute online, please visit https://community.hunter.cuny.edu/legacygift. Checks can be made out to The Hunter College Foundation, with “2014 Legacy Gift” in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text “Hunter” to 20222 to make an automatic donation of $10.

We are immensely grateful for your participation and support in helping to make the Class of 2014 Legacy Gift campaign a success.

Best wishes to you in your future endeavors.

Sincerely,

Legacy Gift Committee
Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

- Arts, Letters, Humanities ................................................. White
- Business ................................................................. Sapphire Blue
- Education ................................................................. Light Blue
- Engineering ............................................................... Orange
- Health Sciences ........................................................... Kelly Green
- Law .......................................................................... Purple
- Medicine .................................................................. Green
- Nursing ..................................................................... Apricot
- Pharmacy ................................................................. Olive
- Philosophy ................................................................. Dark Blue
- Sciences and Mathematics ............................................. Golden Yellow
- Social Sciences ........................................................... Dark Blue
- Social Work ............................................................... Citron
- Theology ................................................................. Scarlet

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
