Senator George J. Mitchell, Jr.

George J. Mitchell entered the U.S. Senate in 1980 and went on to an illustrious career in the Senate that spanned 14 years. He became Senate majority leader in 1989 and held that position until he left the Senate in 1995. Earlier he served as U.S. attorney and U.S. district court judge for Maine.

In 1995-99 Mitchell chaired peace negotiations in Northern Ireland, for which he received numerous awards and honors, including the Presidential Medal of Freedom, the highest civilian honor the U.S. government can give; the Philadelphia Liberty Medal; the Truman Institute Peace Prize; the German (Hesse) Peace Prize; and the United Nations (UNESCO) Peace Prize.

At the request of President Clinton and Israeli and Palestinian leaders, Senator Mitchell served in 2000-01 as chairman of an international fact-finding committee on violence in the Middle East. In 2009-11, at the request of President Obama he served as the U.S. Special Envoy to the Middle East.

He has also been chairman of the Walt Disney Company and chairman of the International Crisis Group, a nonprofit organization dedicated to the prevention of crises in international affairs.

He is now chairman emeritus of the global law firm DLA Piper.

In 2008 *Time* magazine described Senator Mitchell as one of the 100 most influential people in the world.

Dr. Frayda B. Lindemann—*Honorary Doctor of Humane Letters*

Dr. Frayda B. Lindemann

A vice president of the Metropolitan Opera Board and a managing director of the board, since 2012 she has also been chair of OPERA America, the national service organization that supports the creation, presentation, and enjoyment of opera and provides artistic and educational services to opera companies and their communities.

For many years she has given time and support to the Lindemann Young Artist Development Program at the Met, which has trained new artists who have gone on to perform all over the world as well as at the Metropolitan Opera. And for 35 years she also supported young musical talent through her work with Young Concert Artists.

Dr. Lindemann received a bachelor of arts from Hunter, and a master of arts and a PhD in musicology from Columbia. She was an associate professor in Hunter's Department of Music for 12 years and is now co-chair of Hunter's music advisory board.

— *From the President of the Alumni Association* —

May 27, 2015

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bring membership in our Alumni Association. When I graduated, 12 years ago, I thought I had taken advantage of all Hunter had to offer and I was now on my own. I was so wrong! I was invited back to the College as an alumnus and was happily surprised to discover a vibrant, active, multigenerational Alumni Association. Thanks to my membership in the Association, I have not only gained the satisfaction of giving back to the College, but I have also made new friends and colleagues who have greatly enriched my life. It is now my honor to invite each of you to join the Alumni Association and its members' grand tradition of serving the College and supporting one another — a tradition that has continued since the Association's founding in 1872.

After many years of hard work at one of our country's greatest public institutions, you may feel more than ready to leave school behind. However, as you make your way through the world, remember that you have a globe-spanning family of over 100,000 fellow alumni; some are graduating with you today, many received their degrees years or even decades ago. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, as evidenced by our growing list of Alumni Hall of Fame members displayed in the West Lobby.

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you a lasting way to enhance your life, as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group, or the Athletic Boosters. Get involved with a local or interest chapter (such as our young alumni chapter, BOND — Bridging Our Next Decades) or start a new one. Follow us on social media. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and perhaps become an officer! Contact the Alumni Association directly at alumniofhunter@gmail.com, or visit <http://bit.ly/HunterAlumFB>, or <http://bit.ly/HunterAlumLinkedIn>.

Enjoying alumni life at Hunter is easy with an Alumni OneCard, which gives you access to the campus, the library, the computer lab, recreational facilities, and career development services. Visit the Alumni Office in Room 1314 East Building to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter as part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

LEGACY
2015
HUNTER COLLEGE

May 27, 2015

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it's a great time to reflect on the Hunter education that has prepared us for exciting futures.

However, though we'll be leaving Hunter and entering the next chapter of our lives, this doesn't have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the College that will represent the class and its unique achievements — and will support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education we have received — and our first chance to give back to the College that has given us so much.

For 145 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Both *U.S. News & World Report* and *The Princeton Review* have consistently given Hunter College high marks in their annual reviews of U.S. colleges.

These rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because the rankings are based in part on donor participation. Every gift to Hunter, regardless of its size, is essential.

The Legacy Gift Committee has asked all seniors to help choose the perfect gift to leave as our special legacy, a gift that will not only symbolize our class but also benefit future students. In response, the seniors have chosen for a second time to raise money for a Textbook Scholarship, which will greatly benefit future Hunter students.

We are asking you to add your name to the Class of 2015 Legacy Gift campaign. Our suggested donation is \$20.15, but every gift is important and greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

To contribute online, please visit <https://community.hunter.cuny.edu/legacygift>. Checks can be made out to The Hunter College Foundation, with "2015 Legacy Gift" in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text "Hunter" to 20222 to make an automatic donation of \$10.

We are immensely grateful to you for helping to make the Class of 2015 Legacy Gift campaign a success.

Best wishes to you in your future endeavors.

Sincerely,

Legacy Gift Committee

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
