UNEMPLOYED GRADUATES

In accordance with the action of the Board of Directors taken last Spring, graduates desiring positions must now make application to the Bureau of Occupation at College.

This action was deemed advisable since the Bureau is equipped with all the necessary machinery for investigation and service, and also because we feel that there was duplication in our work. Last year the Bureau placed 152 of our graduates.

The fund for our unemployed graduates is, therefore, still available, and will be used by the Director of the Bureau as the occasion demands.

We are continuing our work and changing only the medium through which we are working.

ALUMNÆ DAY

Plans for Alumnae Day are being made with great dispatch. We hope you are making your plans for November right now, so that you will be free from nine in the morning until six at night on Wednesday, November 27th. We expect to have to call for extra chairs in all classrooms. The Traditions Committee has planned a most entertaining program for the Assembly to be held at eleven o'clock. Miss Crotty, the Chairman, is writing about it elsewhere in the News!

In the afternoon the Athletic Association will present a Basketball Game and a Fencing Match. As a climax for the afternoon festivities, the Faculty Club of the College will serve tea to the Association in the Faculty Room.

MAYBELLA C. WILLIAMS,
Chairman, Alumnae Day.

The students of Hunter College through the Traditions Committee extend to the Associate Alumnae a cordial invitation to the Assembly Period on Alumnae Day, Wednesday, November 27, at 11 A.M., in the Chapel. The Music Department and the Speech Department are coöperating in the preparation of a short musical and poetic diversion in which gifted performers in picturesque costumes will unite in bringing back fond memories of past decades. The audience is expected to join with us in making the hour a success.

If you are a teacher, play "hookey". If you are a mother, bring or park the baby. If you are a boss, give the secretary a day off; and if you are a secretary, give the boss a day off. In any case, come.

GENEVIEVE CROTTY, 1936,
Student Chairman of
Traditions Committee.

THE FALL FORMAL

The Thirties are sponsoring a formal supper-dance at Louis Sherry's on Saturday, November 30, to give the appropriate gala finish to your Thanksgiving holidays, at the astonishingly low cost of \$5.00 a subscription. Our purpose is to revive pleasant memories and associations and make way for new ones. In addition, part of the proceeds will be used to help some of our needy graduates.

No tickets will be sold at the door. Tickets may be had from Mrs. Botwick at the Main Building, Miss Springmeyer at 32nd Street Annex, Miss Cross at the Bronx Buildings, or Mrs. Powell at the Alumnae Rooms. Table reservations may be made with Mrs. Modaus at the Bronx Buildings. Checks should be made payable to Dorothy S. Cross.

RENEE A. BOTWICK, Chairman.

COLLEGE NOTES

Dr. Jean F. Brown, the newly appointed principal of Hunter College High School, was honored by the Faculty Club of Hunter College High School at a dinner at the Biltmore, Friday, October 18. Mrs. Brown succeeds Miss Louisa M. Webster, who recently retired from active service.

Dr. Brown received her A.B. degree from Normal College. For a year she taught in the elementary school under Julia Richman, who later became a District Superintendent in the city, and in whose honor Julia Richman High School was named. Subsequently appointed to the staff of Normal College, Dr. Brown taught botany, physics, and mathematics.

From 1907 until her recent appointment as principal, she held the position of First Assistant in Mathematics in Hunter College High School. During this period, New York University conferred upon her the degrees of Master of Arts and Doctor of Philosophy.

Dr. Brown is associated with the National Council of Teachers of Mathematics, the Mathematical Society, the Association of Chairmen of Mathematics of the New York City High Schools, the High School Teachers Association, the Principals Association, the New York City Branch of the National Council of Administrative Women in Education, and the Associate Alumnae of Hunter College.

ELIZABETH WALKER MEMORIAL SCHOLARSHIP FUND

The Elizabeth Walker Memorial Scholarship Fund was taken over by the Associate Alumnae in January of this year. The scholarship was granted for the year 1935 to Sophie Pravlocka, a graduate of Hunter College High School who is now attending Hunter College. The award amounts to \$100.00 a year.

EVELYN WALKER,
Chairman.

THE JOSEPH A. GILLET MEMORIAL SCHOLARSHIP FUND

Are you one of those fortunate ones who came under the influence of Professor Joseph A. Gillet? What has that influence meant in your life? Did his noble character help to strengthen your ideals? Did he create or strengthen your conception of what a teacher should be? Have you had the impulse to pass on to others a little of what he gave to you?

Several years ago, a few of us, all his devoted pupils, started a memorial fund to be used as a scholarship fund, so that, when we who remember him so vividly have passed on, his name will still be connected constantly with the work on which he spent his whole life. The depression has interfered with the growth of the fund, but times seem to be getting just a little better. Could you spare a dime for each year since you were graduated to add to the fund? or only a nickel? or perhaps you are rich enough to make it a quarter? Please try to spare something to show your appreciation of what a very unusual teacher did for you.

EVELYN WALKER,
Treasurer.
