dollars, we know, is truly inadequate as payment for "services rendered", but it will act as a warm and hearty greeting to our Alma Mater on this 75th Birthday to let her know that we remember, and in giving want to help those who are with her now to remember too. ## WAR BOND SALES

By the time the December NEWS reaches you, I do hope our sales of War Bonds will have speeded up. Please try to purchase at least one bond before the end of the Drive on December 31st. Our goal has been set: enough bonds to purchase the complete outfits for 100 paratroopers. Let us try to exceed this goal and aim to equip 200 or 300 paratroopers. To outfit one man costs \$920.

This war is not over yet. Great battles must be fought and won by land, sea, and air. The enemy, Germans and Japanese alike, are offering strong resistance, and our brave lads are paying dearly for our success. Many will return to their dear ones maimed and disfigured for life. Isn't it little enough to ask you to do your bit and help shorten this war by purchasing *more* and *more Bonds*, so that equipment, ammunition, planes, and ships can be sent overseas to them? There is another point to be brought home to you—the purchase of a Bond is not a contribution, it is an investment, yes, the soundest and safest investment in the world. It is a loan to your government, yes, the soundest and safest government in the world.

Mrs. SAMUEL BITTERMAN, Chairman, Schuyler 4-3685. 275 Central Park West.

I am interested in purchasing War Bonds:

## PATRIOTIC SERVICE COMMITTEE

Once more we come with hands outstretched, asking our fellow Alumnae for aid. We feel that many will want to help to make the coming holiday season a memorable one for the men in service who will at that time be in New York far from their homes.

Since Christmas Eve comes on Sunday, our regular canteen night, we plan to celebrate by having a party at which a gift package will be presented to each boy who comes to the canteen for supper.

At the request of many boys who come to the Alumnae Rooms whenever they are in the city, we are changing the time for the New Year's Eve Party. Our usual 5:30 to 10:30 supper hours will be changed on December 31st to 9 P. M. to 1 A. M. This will give the boys an opportunity to "bring in" the New Year among friends.

Contributions of candy, cookies, cigarettes, or money will help us to make these two parties gala occasions for our boys. Please send contributions to the chairman, Miss B. Elizabeth Kallman, 102 West 85th Street, New York 24, before December 20th.

Your Alumnae Association, through the Patriotic Service Committee, has once more accepted its share of the responsibility for a Hunter College project.

At impressive ceremonies in the Assembly Hall on November 15th, Hunter College became the sponsor of five ships of the Amphibious Command, L. S. M. (Landing Ship Medium) 280, 281, 282, 283, 284. The students, faculty, and alumnae pledged themselves to do their bit to bolster up the morale of the boys of these boats in the difficult days to come.

Contributions for the purchase of Christmas gifts for our "adopted sons" are needed. Checks may be sent to any one of the members of the Alumnae Sponsoring Committee. B. Elizabeth Kallman, 102 W. 85th St. Mrs. Edna Baer Isaacs, 1055 Walton Ave. Miss Estelle Drucker, 789 West End Ave. Miss Dorothy Oelert, 42-30—81st St., Elmhurst, L. I. Miss Rita Martocci, 166-35 — 88th Ave., Jamaica, L. I.

B. ELIZABETH KALLMAN, Chairman.
