WAR BOND NEWS

Fellow Alumnae!

We did it! We reached our goal. To be exact, the figures were \$1,001,349.75 on December 31, 1943. Can you imagine how delighted your Chairman and her War Bond Committee were when they heard the good news? We start the New Year well.

The Fourth War Loan Drive will be in full swing by the time this edition of the NEWS is published. Right here may I mention that our ALUMNÆ NEWS has been our best salesman during the past Drives.

Hunter College and the Associate Alumnae are eager to reach a goodly amount so as to contribute towards the Campaign for Hospital Equipment through the purchase of War Bonds.

For \$65,000 we can purchase a car in a Hospital Train. These trains are specially equipped, including Staff Headquarters, operating-rooms, kitchen, and 32-bed ward cars.

For \$90,000 we can purchase a 750 Bed Evacuation Hospital. This provides medical and surgical care as near the Front as possible, and relieves combat troops of the burden of casualties concentrated here for quick and easy mass evacuation.

For \$110,000 we can purchase a C3 Ambulance Plane. This plane is used to carry supplies and personnel to the Clearing Station and evacuate the wounded. It accommodates 18 litter cases. This evacuation, which formerly took from five to nine days, is now accomplished in three hours.

If every member of our Alumnae would resolve to purchase another bond, and then see to it that all of her relatives and friends purchase their Bonds through our Committee, it would not be a difficult problem to purchase a C3 Ambulance Plane.

We are delighted to welcome Mrs. Dorothy L. Riess of the Westchester Group, Mrs. Norma L. Newmark of the Parkchester Committee, Mrs. B. M. Powell, Mrs. Flora R. Kotlarsky, Mrs. Bea K. Weinberg, and Mrs. Evelyn Zuckerman to our War Bond Committee, and hope they will enjoy joining in this great patriotic work.

All Bonds sold during this Fourth War Loan Drive, which will probably last until March 1st, will be added to our million dollar total.

In conclusion, here's hoping that we pass the \$65,000 mark and reach the \$110,000 goal.

PATRIOTIC SERVICE COMMITTEE

The Christmas Party for the men in Service was a big success. One hundred and twenty-five boys from thirty different states, England, and Australia, attended. Each boy received a gift package, beautifully wrapped by 4A pupils of P. S. 77 Manhattan, containing cigarettes and assorted chocolate bars. For many of our English guests, this was the only gift they received. Again I want to thank the many Alumnae who sent cigarettes and money. We came out one dollar to the good.

Members of the committee made all the chicken-salad, using seventy pounds of chicken; the celery and lettuce were donated by Mergentime, Inc.; the Delmonico Bakery baked special cakes, and the Hunter High School Staff provided the candy. It was a grand party enjoyed by all.

For Sunday, February 13th, we have planned a Valentine Party. The Parkchester Committee and the Staff of J. H. S. 115 Bronx, have sent checks to cover the cost of the valentines, which will be packages of candy.

Of course the party on February 20th will be a George Washington Party. This party will be financed by the Class of 1907.

My next appeal to you will be for the Easter Party on April 9th.

Again I should like to remind you that it is necessary to write for a ticket in order to attend a party. We issue an average of sixty tickets each week to members of the Associate Alumnae and Hunter students. Please send a self-addressed stamped envelope and a contribution of fifty cents when requesting a ticket.
