A CALL

We are interested in obtaining a statistical report on the number of Alumnae members enrolled in the service of the United States, either in a Civil Service capacity or as part of the Army or Navy. It would be appreciated if any member who is herself engaged in that work or knows of a member who is, would convey that information to Hunter Alumnae Hall, 204 West 55th St.

HELEN L. SIMIS, President.

SPECIAL MEETING

At the Special Meeting of the Alumnae on October 14th, Miss Julia Duffy was unanimously elected Treasurer.

ALUMNAE DAY

President Shuster and Dean Egan have extended a cordial invitation to all Hunter graduates to return to College on Wednesday, November 25, to celebrate Alumnae Day.

The Traditions Committee has planned an entertainment in the Auditorium for the early afternoon. Lady Armstrong has been invited to speak. The Faculty Club will serve tea from three to five in Room 310.

This is a year when old loyalties seem more important than ever before. For some of you this may be the occasion to revive your loyalty, for others to strengthen it. Come!

MRS. JOSEPH T. MULLIGAN, Chairman.

MRS. JACOB L. HEIDEN, Co-Chairman.

WAR SAVINGS BONDS

We sincerely hope that you, fellow Alumna, have watched with great pride the magnificent showing that the Movie Industry made in the month of September in the sale of War Bonds, and that you have noticed the splendid results of the Army Relief Show at Madison Square Garden, where millions of dollars of War Bonds were sold in a few hours; also how Kate Smith's 26-hour campaign over radio and telephone produced the sale of \$2,000,000 worth of War Bonds, and how our Associate Alumnae have increased the sales of War Bonds from \$133,000 a few months back, to over \$300,000 (representing actual cash) at the present writing.

America is a great country and its government is backed by a truly great people. Indeed we are *not* a complacent people, we all feel that this is our war, the people's war, and every true American will do his share to help win this war in order to preserve our democracy and freedom.

Mrs. Bernard Riess of Scarsdale has informed your Chairman that she will act in the sale of War Bonds for the Westchester Group. In next month's NEWS we shall be happy to report the results of her activity.

At the rate our College Staff and Alumnae Association are working, do *not* be surprised to hear that Hunter College has sold more War Bonds than any other women's college in the State. We can attain this goal if every graduate of Hunter College will do her share and purchase her War Bonds and induce her relatives and friends to make their future purchases through the War Bond Committee of the Alumnae. Do let us all cooperate and see to it that our Alma Mater tops them all.

Wouldn't it be a grand idea to present a War Bond to your dear one, be he relative or friend, for Christmas, or perhaps as a birthday or anniversary gift? Please jot this down, that for every \$3 you invest, you receive \$4 in return, a guarantee backed by the most powerful and greatest country in the world. Nothing would give your Chairman and her Committee greater joy than to be kept continuously busy handling your applications for War Bonds.

Please fill out the following blank and mail it to me. It will receive prompt attention.

MRS. SAMUEL BITTERMAN,
Chairman of Committee on War Bond Sales.

Schuyler 4-3685.
