## PATRIOTIC SERVICE COMMITTEE

The Service Men dances held in our Alumnae Rooms on Sundays were so well attended in May and June that it was decided to continue the parties all summer. Miss Edna Lewinson, Miss Dorothy Oelert, and Mrs. Beatrice Powell volunteered to take charge. The parties were very enjoyable and well attended. There was an average attendance of over one hundred boys weekly, and no less dancing because of the heat. The committee was kept busy making quantities of punch and iced tea.

Plans for the parties to be held this winter are now being formulated. College students will be hostesses the second and fourth Sundays each month. The other Sundays are for members of our Alumnae. If you wish tickets, please write to the Patriotic Service Committee, Hunter Rooms, 204 West 55th Street, or to me. Kindly enclose a self-addressed stamped envelope and a contribution of fifty cents with your request.

These parties are costly! Contributions of money, candy, cigarettes, and cookies are needed. Do help us, so we can continue the parties all winter.

## WAR BOND NEWS

The War Bond Committee sincerely hopes that every member of our Associate Alumnae has had a very pleasant vacation and has returned to her regular work full of vigor, vim, and renewed confidence in an Allied Victory.

We have not reached our goal at the present writing even though the response since the beginning of the Third War Bond Drive on September 9th has been most encouraging. In answer to the letters sent out to the residents of Manhattan, the purchases for War Bonds rose to a new high and brought to your Chairman's attention many members of our Alumnae who had not purchased Bonds heretofore, and she feels sure she has made "new customers".

We express our appreciation to Mrs. E. Adelson, Miss Louisa Bruckman, Mrs. Marion K. Epstein, Mrs. Leslie Graff, Mrs. Katharine Molinoff, Mrs. Dorothea R. Mossman, Mrs. William Livingston, Miss Isabel McLaughlin, and Miss Estella Unna, for their cooperation in purchasing extra War Bonds.

This report has to be in by September 18th, two weeks to go before this Drive is over. At this time your Chairman reports that Hunter College and Alumnae have sold \$886,733.75 plus \$1,718.75 from outside sources, making a total of \$888,452.50, so you see we have \$111,547.50 yet to get. Won't you help us reach our million dollar goal? Just stop a moment and think of those young lives being sacrificed at Salerno, then ask yourself *what sacrifices are you making?* It is little enough for us to "Back the Attack with War Bonds". If you have purchased Bonds, buy more; if you haven't purchased a Bond, it's not too late to buy now.

Please fill out application and mail to your Chairman. It will receive prompt attention.

MRS. SAMUEL BITTERMAN, Chairman,  
Schuyler 4-3685. 275 Central Park West.

## TREASURER'S REPORT

During the fiscal year 1942-1943, committee chairmen and treasurers have exhibited a devoted interest in the healthy condition and wise conservation of the various funds. The Finance Committee has been especially zealous in the safeguarding of the investment structure of the Associate Alumnae.

The encouragement and active assistance of Miss Elsie R. Kengla, Chairman of Finance, and Mrs. Theodore E. Simis, President, have made it possible for the Treasurer to carry out her proper tasks. To them and to the committee chairmen, she expresses her gratitude.
