SCOPE AND CONTENT NOTE

The annual reports of the Chemistry Department highlight the evolution of one of the oldest academic departments of Hunter College and documents activities and events, curriculum development, research projects, and faculty publications between 1923 and 1961. Unfortunately there are no records of the Chemistry Department in our repository beyond 1961. However, researchers can elect to examine the *Hunter College (Course) Bulletin* to track the progression of the curriculum in the Chemistry Department and the instructors who taught between 1962 and 2012.
