Dear Graduates:

Congratulations! You have reached a most significant milestone in your life. Your hard work, determination, and commitment to your education have been rewarded, and you and your loved ones should take pride in your accomplishments and successes. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially, economically, and technologically. As part of the next generation of thoughtful, responsible, and intelligent leaders, you will make a real difference wherever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter’s commitment to community, diversity, and service to others.

We look forward to hearing great things about you, and we hope you will stay connected to the exciting activities and developments on campus. Please remember Hunter College and know that you will always be part of our family.

Best wishes for continued success.

Sincerely,

Jennifer J. Raab

President
ORDER OF EXERCISES

Presiding: Jennifer J. Raab, President
Eija Ayravainen, Vice President for Student Affairs and Dean of Students

Ayman El-Mohandes, Dean of the School of Urban Public Health and
Dean of the CUNY School of Public Health

Conferring of Degrees
President Jennifer J. Raab

Recessional
Andrew Rasiej—Commencement Speaker

Andrew Rasiej is a civic and social entrepreneur, a technology strategist, and the founder of Personal Democracy Media, which produces the Personal Democracy Forum and other events about the intersection of technology and politics. He is also the founder of MOUSE.org, which focuses on 21st-century public education, and a co-founder of Mideastwire.com, which translates news and opinion pieces from Arabic and Farsi into English.

In addition, Rasiej is chairman of the NY Tech Meetup, a 40,000-member group of technologists, venture funders, and marketers who represent start-up and mature companies that are using technology to transform themselves, New York City, and the world.

In 2012, Rasiej spoke at Roosevelt House, the Public Policy Institute at Hunter College, about how technology and new media are affecting the political landscape—and, in particular, how they were shaping that year’s election.

Rasiej is a graduate of the Cooper Union for the Advancement of Science and Art.

Twyla Tharp—Honorary Doctor of Humane Letters

World-renowned choreographer Twyla Tharp founded her dance company, Twyla Tharp Dance, in 1965—two years after graduating from Barnard College—and since then has choreographed more than 150 works. Her dances are known for creativity, wit, and technical precision coupled with a streetwise nonchalance. By combining different forms of movement—such as jazz, ballet, and her own extraordinarily innovative inventions—Tharp has expanded the boundaries of ballet and modern dance.

In addition to choreographing for her own company, Tharp has created dances for more than a dozen major troupes including American Ballet Theatre, Joffrey Ballet, Martha Graham Dance Company, New York City Ballet, and the Royal Ballet. Among the numerous honors she has received are a Tony Award, two Emmy Awards, 19 honorary doctorates, and a John D. and Catherine T. MacArthur Fellowship (a “genius grant”).

Tharp’s first publicly performed work, a 10-minute dance titled Tank Dive, made its debut at Hunter, in a small theater space within the College’s Art Department. Tharp has said that the title reflected her belief that the chance of becoming a successful choreographer is about equal to that of successfully diving from a great height into a thimbleful of water.

Ballet and dance companies around the world continue to perform Tharp’s works, and she continues to create.

January 22, 2015

Dear Graduates:

Welcome to your future! Today you receive your degrees from Hunter College, which bestows membership in our Alumni Association. When I graduated, 12 years ago, I thought I had taken advantage of all Hunter had to offer and I was now on my own. I was so wrong! I was invited back to the College as an alumnus and was happily surprised to discover a vibrant, active, multigenerational Alumni Association. Thanks to my membership in the Association, I have not only gained the satisfaction of giving back to the College, but I have also made new friends and colleagues who have greatly enriched my life. It is now my honor to invite each of you to join the Alumni Association and its grand tradition of serving the College and supporting one another — a tradition that has continued since the Association’s founding in 1872.

After many years of hard work at one of our country’s greatest public institutions, you may feel more than ready to leave school behind. However, as you make your way through the world, remember that you have a globe-spanning family of over 100,000 fellow alumni; some are graduating with you today, many received their degrees years or even decades ago. You have become part of a long and distinguished tradition of women and men who have contributed to the world in many meaningful ways, as evidenced by our growing list of Alumni Hall of Fame members displayed in the West Lobby!

We hope you will help us continue our tradition of alumni service to the College. Involvement in the Alumni Association gives you a lasting way to enhance your life, as well as the lives of future alumni. Attend Association meetings and the annual spring Birthday Luncheon with graduates from many decades. Join the Book Club, the Creative Writing Group, or the Athletic Boosters. Get involved with a local or interest chapter (such as our young alumni chapter, BOND — Bridging Our Next Decades) or start a new one. Follow us on Facebook, LinkedIn, Google+, Twitter, and Instagram. Become a mentor. Network with fellow alumni. Serve on our Board of Directors and perhaps become an officer!

Enjoying alumni life at Hunter is easy with an Alumni Card, which gives you access to the campus, the library, the computer lab, recreational facilities, and career development services. Call the Alumni Office (212.772.4087) to get the process started.

Above all, take pride and joy in your great achievement today, and keep Hunter as part of your life tomorrow and forever. Welcome to the Alumni Association of Hunter College!

William Lim ’03
President, Alumni Association of Hunter College
January 22, 2015

Dear Graduates:

Congratulations! On this Commencement Day, new and challenging opportunities lie ahead for each of us. As we get ready to pursue advanced degrees or begin our careers, it’s a great time to reflect on the Hunter education that has prepared us for exciting futures.

However, though we’ll be leaving Hunter and entering the next chapter of our lives, this doesn’t have to be goodbye. Every year the graduating class raises funds and presents a Legacy Gift to the College that will represent the class and its unique achievements — and will support the Hunter students of tomorrow. This gift is also an expression of gratitude for the wonderful education we have received — and our first chance to give back to the College that has given us so much.

For 145 years, Hunter has been fulfilling its mission of providing an outstanding education to a diverse student body at an affordable price. Both U.S. News & World Report and The Princeton Review have consistently given Hunter College high marks in their annual reviews of U.S. colleges.

These rankings increase the value of your Hunter degree. One of the most effective ways you can help keep your degree valuable is by making an alumni gift, because the rankings are based in part on donor participation. Every gift to Hunter, regardless of its size, is essential.

The Legacy Gift Committee has asked all seniors to help choose the perfect gift to leave as our special legacy, a gift that will not only symbolize our class but also benefit future students. In response, the seniors have chosen for a second time to raise money for a Textbook Scholarship, which will greatly benefit future Hunter students.

We are asking you to add your name to the Class of 2015 Legacy Gift campaign. Our suggested donation is $20.15, but every gift is important and greatly appreciated. No gifts are too small, and our goal is to have 100% class participation!

To contribute online, please visit https://community.hunter.cuny.edu/legacygift. Checks can be made out to The Hunter College Foundation, with “2015 Legacy Gift” in the memo line, and mailed to The Hunter College Foundation, 695 Park Avenue, Room E1313, New York, NY 10065.

Or, simply text “Hunter” to 20222 to make an automatic donation of $10.

We are immensely grateful to you for helping to make the Class of 2015 Legacy Gift campaign a success.

Best wishes to you in your future endeavors.

Sincerely,

Legacy Gift Committee
Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

- Arts, Letters, Humanities ........................................ White
- Business .......................................................... Sapphire Blue
- Education .......................................................... Light Blue
- Engineering ......................................................... Orange
- Health Sciences ..................................................... Kelly Green
- Law ................................................................. Purple
- Medicine ............................................................. Green
- Nursing ............................................................... Apricot
- Pharmacy ............................................................. Olive
- Philosophy ............................................................ Dark Blue
- Sciences and Mathematics ................................. Golden Yellow
- Social Sciences ....................................................... Dark Blue
- Social Work .......................................................... Citron
- Theology ............................................................. Scarlet

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
