He is currently working on a book about the investigation led by Special Counsel Robert Mueller.

His book, *The Oath: The Obama White House and the Supreme Court*, was published by Doubleday in 2012 and was also a New York Times best-seller. *The Oath* followed *The Nine: Inside the Secret World of the Supreme Court*, which was also a best-seller and earned the 2008 J. Toobin, who is also a noted lecturer, has written several other critically acclaimed, best-selling books including *A Vast Conspiracy: The Real Story of the Sex Scandal that Nearly Brought Down a President*, and *Too Close to Call: The 36-Day Battle to Decide the 2000 Election*.

Previously, Toobin served as an assistant U.S. attorney in Brooklyn. He also served as an associate counsel in the Office of Independent Counsel Lawrence E. Walsh, an experience that provided the basis for his first book, *Opening Arguments: A Young Lawyer's First Case—United States v. Oliver North*.

From The Hunter College Foundation

January 24, 2019

Dear Fellow Graduates,

Congratulations! On this Commencement Day, as we prepare to pursue our careers, or further degrees, our focus is on the exciting opportunities that await us, thanks to our Hunter education.

As great as our excitement is, it is further heightened by our awareness that getting to this point hasn't been easy. Most of us have been holding down a job—even two jobs—while also attending school. Many of us are the first in our families to go to college, and many of us—or our parents—came to this country without knowing English. We don't have to be told that it's a tough world out there. We've been facing it all along.

Yet, despite these challenges, we've earned our degrees from a world-class, competitive college—a college *The Princeton Review* recently called “the crown jewel of CUNY.” Hunter graduates and faculty have made a genuine difference in this city, our country, and the world.

Now *we* are about to join the roster of artists, economists, healthcare professionals, lawyers, scientists, social workers, teachers, tech professionals, writers—and educated community members—who make a difference.

You should feel deeply proud of your connection to Hunter and our class. One way to show that pride is to support future students by giving back to Hunter through our Senior Legacy Gift—a significant group contribution to the Annual Fund for Hunter, which provides student scholarships and programmatic support that make Hunter so exceptional.

Be part of the Class of 2019 Senior Legacy Gift! We suggest a donation of \$20.19, in honor of our class year, but every gift is welcome and vitally important. Alumni participation is a critical measure of Hunter's success in national rankings! To contribute online, please visit hunter.cuny.edu/seniorlegacygift.

To contribute via mail, please send a check—made out to The Hunter College Foundation, with “2019 Senior Legacy Gift” in the memo line—to The Hunter College Foundation, 695 Park Avenue, Room E1314, New York, NY 10065.

Again, congratulations on your graduation! We wish you success, fulfillment, and joy in all your endeavors: You've worked very hard, and you deserve the very best.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>
Business	<i>Sapphire Blue</i>
Education.	<i>Light Blue</i>
Engineering	<i>Orange</i>
Health Sciences	<i>Kelly Green</i>
Law	<i>Purple</i>
Medicine	<i>Green</i>
Nursing	<i>Apricot</i>
Pharmacy	<i>Olive</i>
Philosophy	<i>Dark Blue</i>
Sciences and Mathematics	<i>Golden Yellow</i>
Social Sciences	<i>Dark Blue</i>
Social Work	<i>Citron</i>
Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
