219TH EXERCISES | HUNTER COLLEGE

MADISON SQUARE GARDEN

WEDNESDAY, MAY 29, 2019 NEW YORK, NY

Greetings from the President

May 29, 2019

Dear Graduates:

Congratulations! You have reached a most significant milestone in your life. Your determination, hard work, and commitment to your education have been rewarded, and you and your loved ones should take pride in your accomplishments and successes. Hunter College certainly takes pride in you.

Your Hunter education has prepared you to meet the challenges of a world that is rapidly changing politically, socially, economically, and technologically. As part of the next generation of thoughtful, responsible, and intelligent leaders, you will make a real difference wherever you apply your knowledge and skills. Endless opportunities await you. As you pursue your goals and move forward with your professional and personal lives, please carry with you Hunter's commitment to community, diversity, and service to others.

We look forward to hearing great things about you, and we hope you will stay connected to the exciting activities and developments on campus. Please remember Hunter College and know that you will always be part of our family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is fluid and elegant, with the first letters of the first and last names being capitalized and prominent.

Distinguished Leadership Award*

Hillary Rodham Clinton has spent four decades in public service as an advocate, attorney, First Lady, U.S. Senator, U.S. Secretary of State, and presidential candidate.

Hillary Clinton was born in Chicago, Illinois on October 26, 1947. After graduating from Wellesley College and Yale Law School, she began her life-long work on behalf of children and families by joining the Children's Defense Fund. In 1974, she moved to Arkansas, where she married Bill Clinton and became a successful attorney while also raising their daughter, Chelsea.

As First Lady of the United States, from 1993 to 2001, Hillary Clinton championed health care for all Americans and led successful bipartisan efforts to improve the adoption and foster care systems, reduce teen pregnancy, and create the Children's Health Insurance Program.

In 2000, Clinton made history as the first First Lady elected to the United States Senate, and the first woman elected to statewide office in New York. As Senator, she worked across party lines to expand economic opportunity and access to quality, affordable health care. After September 11, 2001, she helped to rebuild New York and provide health care for first responders.

In 2007, she began her historic campaign for president, winning 18 million votes and becoming the first woman to ever win a presidential primary or caucus state.

In her four years as America's chief diplomat and the President's principal foreign policy adviser, Clinton led the effort to restore America's leadership in the world. She negotiated a cease-fire in Gaza that defended Israel's security and headed off another war in the Middle East, mobilized an international coalition to impose crippling sanctions against Iran, and championed human rights around the world, as she has her entire career.

In 2016, Clinton made history again by becoming the first woman nominated for president by a major U.S. political party. As the Democratic candidate for president, she campaigned on a vision of America that is "stronger together" and an agenda to make our economy work for everyone, not just those at the top, earning the support of nearly 66 million Americans.

Hillary Rodham Clinton is the author of seven best-selling books. *What Happened* – released in September of 2017 – spent 16 weeks on the *New York Times* Best Seller list.

She and President Clinton reside in New York, have one daughter, Chelsea, and are the proud grandparents of Charlotte and Aidan.

From The Hunter College Foundation

May 29, 2019

Dear Fellow Graduates,

Congratulations! On this Commencement Day, as we prepare to pursue our careers or further degrees, our focus is on the exciting opportunities that await us, thanks to our Hunter education.

As great as our excitement is, it is further heightened by our awareness that getting to this point hasn't been easy. Most of us have been holding down a job—even two jobs—while also attending school. Many of us are the first in our families to go to college, and many of us—or our parents—came to this country without knowing English. We don't have to be told that it's a tough world out there. We've been facing it all along.

Yet, despite these challenges, we've earned our degrees from a world-class, competitive college—a college *The Princeton Review* recently called “the crown jewel of CUNY.” Hunter graduates and faculty have made a genuine difference in this city, our country, and the world.

Now *we* are about to join the roster of artists, economists, healthcare professionals, lawyers, scientists, social workers, teachers, tech professionals, writers—and educated community members—who make a difference.

You should feel deeply proud of your connection to Hunter and our class. One way to show that pride is to support future students by giving back to Hunter through our Senior Legacy Gift—a significant group contribution to the Annual Fund for Hunter, which provides student scholarships and programmatic support that make Hunter so exceptional.

Be part of the Class of 2019 Senior Legacy Gift! We suggest a donation of \$20.19, in honor of our class year, but every gift is welcome and vitally important. Alumni participation is a critical measure of Hunter's success in national rankings! To contribute online, please visit hunter.cuny.edu/seniorlegacygift.

To contribute via mail, please send a check—made out to The Hunter College Foundation, with “2019 Senior Legacy Gift” in the memo line—to The Hunter College Foundation, 695 Park Avenue, Room E1314, New York, NY 10065.

Again, congratulations on your graduation! We wish you success, fulfillment, and joy in all your endeavors: You've worked very hard, and you deserve the very best.

Academic Heraldry

The caps, gowns, and hoods worn by participants in these exercises are patterned after the attire of monks in the Middle Ages. Those who have earned the bachelor's degree wear a gown with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of the master's degree wears a similar gown, but the sleeve is square and closed at the end with the wearer's forearm coming through a slit near the elbow. Those possessing the doctor's degree wear gowns having broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the field of learning represented by the degree.

The hoods, over the shoulders and down the backs of the faculty, reveal the degrees and institutions of the wearers. The velvet binding or edging is distinctive of the subject to which the degree pertains. The lining of the hood, in silk, gives the color or colors of the institution granting the degree. The shortest hood is the bachelor's; the longest and the broadest is the doctor's; and the master's is midway between these in size. There is much duplication in the colors of the colleges; therefore, they will be left unidentified. However, there is a standard color for the subjects.

The most common colors for subjects, including those used at Hunter College, are:

Arts, Letters, Humanities	<i>White</i>	Nursing	<i>Apricot</i>
Business	<i>Sapphire Blue</i>	Pharmacy	<i>Olive</i>
Education.	<i>Light Blue</i>	Philosophy	<i>Dark Blue</i>
Engineering	<i>Orange</i>	Sciences and Mathematics	<i>Golden Yellow</i>
Health Sciences	<i>Kelly Green</i>	Social Sciences	<i>Dark Blue</i>
Law	<i>Purple</i>	Social Work	<i>Citron</i>
Medicine	<i>Green</i>	Theology	<i>Scarlet</i>

Historical Note

The Mace carried by the Grand Marshall, who leads the Processional and Recessional, was presented to the College by the Alumni Association at the ceremony marking the Centennial of Hunter College in 1970. It is used each year at Commencement.
