Commencement Honoree

New York State Attorney General Letitia James

Commencement Speaker

Letitia “Tish” James is the 67th Attorney General for the State of New York. With decades of work, she is an experienced attorney and public servant with a long record of accomplishments. She is the first woman of color to hold statewide office in New York and the first woman to be elected Attorney General.

In 2013, Ms. James was elected Public Advocate for the City of New York and became the first woman of color to hold citywide office. As Public Advocate, Ms. James served as a watchdog over New York City government agencies and as an advocate for the City’s most vulnerable communities. She transformed the Public Advocate’s office to be a formidable engine for change.

Her office handled over 32,000 constituent complaints and passed more legislation than all previous Public Advocates combined, including a groundbreaking law that banned questions about salary history from the employment process to address the pervasive gender wage gap. Ms. James successfully took on the gun industry by pushing New York City’s largest pension fund to divest from gun and ammunition retailers. She fought in court on behalf of children and families on issues including children in foster care, children with disabilities, and tenant protection. New Yorkers overwhelmingly elected Tish James to a second term as Public Advocate in November 2017.

Prior to serving as Public Advocate, Tish James represented the 35th Council District in Brooklyn in the New York City Council for ten years. As a Council Member, she passed the Safe Housing Act, legislation that forced landlords to improve living conditions for tenants in New York City’s worst buildings. She helped uncover the corruption behind the Office of Payroll Administration’s CityTime contract, a scheme that cost New York City over \$600 million. She also pushed through a revolutionary recycling package that included expanding plastic recycling, a new clothing and textile recycling program, and increased access to recycling in public spaces.

Before her election to the City Council, Tish James served as head of the Brooklyn Regional Office of the New York State Attorney General’s Office. She resolved hundreds of consumer complaints and investigated predatory lenders who preyed on first-time homebuyers. She assisted the Civil Rights Bureau in its investigation of the NYPD’s stop-and-frisk policy and cracked down on firms engaged in deceptive business practices including violations of human rights, environmental laws, and scams targeting immigrants.

Tish James began her career as a public defender at the Legal Aid Society. A proud Brooklynite, she is a graduate of Lehman College and Howard University School of Law.

Entrance to the #6 subway station from Hunter's West Building plaza

From The Hunter College Foundation

January 23, 2020

Dear Fellow Graduates,

Congratulations! On this Commencement Day, as we enter a new phase of life, our focus is on the promising paths before us.

Whether the plan is to earn a higher degree, start a new job, or choose another exciting option, we all owe our new opportunities to our Hunter education.

Our excitement is heightened by the knowledge that getting to this point hasn't been easy. Most of us have been holding down one or more jobs while attending school. Many of us are immigrants or the children of immigrants, and we all know it's a challenging world out there. We've been facing and overcoming big challenges all along.

Now we're receiving our degrees from a world-class college—a college *The Princeton Review* calls “the crown jewel of CUNY.” Hunter graduates and faculty have always made a powerful mark on this city, our country, and the world. Now we join the roster of professionals and educated, engaged citizens who have the knowledge and credentials necessary to make a positive difference.

We hope you feel as proud as we do—of our membership in the Class of 2020 and our permanent connection to Hunter. One way to exhibit that pride and support Hunter's wonderful academic community is by contributing to the Senior Legacy Gift, a significant group donation to the Annual Fund for Hunter. The Annual Fund is a vital source of funding for student scholarships, faculty recruitment, academic programs and campus upgrades.

Join us in making the Class of 2020 Senior Legacy Gift the largest in Winter Commencement history! We suggest a donation of \$20.20 in honor of our class year, but every gift, of any size, is welcome and important. And because alumni giving helps determine Hunter's standing in national rankings, your donation will raise the value of your already distinguished degree.

To contribute online, visit hunter.cuny.edu/seniorlegacygift. To contribute via mail, send a check to The Hunter College Foundation, 695 Park Avenue, Room E1314, New York, NY 10065. Please make your check payable to The Hunter College Foundation, with “2020 Senior Legacy Gift” on the memo line.

Again, congratulations, Hunter classmates! We wish you success, fulfillment, and joy in all of your endeavors. Together we've worked very hard and deserve the tremendous joy, pride and optimism we're feeling on this landmark day.
