

HUNTER

222nd
Commencement
Program

Wednesday, January 27, 2021

Greetings from the President

Winter 2021

Dear Graduates:

Congratulations!

During challenging moments like these, it is more important than ever that we take a moment to celebrate your accomplishments. While we are disappointed that we are not able to celebrate with each other in-person this winter, please know that your families, your professors, and the entire Hunter administration are so very proud of you for obtaining your degree. At this unique moment in history, we hope you are taking special pride in your courage and determination.

We know that the road to graduation has not always been easy, and we are particularly proud of this class for having the perseverance to complete your education during these difficult times. Your Hunter education has prepared you to meet all the challenges of our rapidly changing world, and confident that you will head out into the world fully prepared to take on the Hunter motto, *Mihi Cura Futuri*, the care of the future is mine. You are ready to take your place as part of the next generation of leaders and make a real difference wherever you apply your knowledge and skills.

We are inspired by everything you have achieved and look forward to hearing about the great things you will continue to do. We hope you will stay connected to our community; you will always be part of the Hunter family.

Best wishes for continued success.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer J. Raab". The signature is fluid and elegant, with the first name being the most prominent.

Jennifer J. Raab

From The Hunter College Foundation

Dear Fellow Graduates,

Congratulations Class of 2021! During this unprecedented commencement season we hope this letter finds you and your loved ones safe, healthy, proud of all you've accomplished, and hopeful about the future.

As we receive our hard-earned degrees, we miss the exuberant cheers of a packed Assembly Hall and warm hugs from wonderful friends. But distance cannot separate us from one another or diminish our incredible accomplishments. In fact, the bond we all share is stronger than ever.

During this crisis, we're especially gratified to see members of the Hunter community using their knowledge and Hunter educations to save lives, ensure access to education and essential services, and continue the dialogue to educate others on pressing issues in our society. We are proud of our nurses, doctors, and other healthcare professionals in New York City hospitals; our teachers leading online and in-person classes to ensure that learning continues for millions of children; our public servants and social workers in government and community-based nonprofits helping the most vulnerable among us; those confronting racism, striving to foster a more inclusive environment at Hunter and in our communities; and the staff of the stores and delivery services that continue to serve all of New York.

We, the graduating Class of 2021, are committed to making our own mark in the world and supporting the members of Hunter College who are in special need during this time. This year, contributions to the Class of 2021 Senior Legacy Gift will go directly to the Hunter CARES (Coronavirus Assistance, Resources, and Education Support) fund. Generous donors have already made it possible to give out over \$1.1 million in direct emergency grant aid, to date. But the need continues, so we're stepping up, and we hope you'll join us. It is an early opportunity to acknowledge all that Hunter has given us, to begin giving back, and to live the Hunter motto, *Mihi Cura Futuri*, the care of the future is mine.

We suggest a donation of \$20.21 in honor of our class year, but every gift, of any size, is welcome and important. To contribute online, visit hunter.cuny.edu/seniorlegacygift. To contribute via mail, send a check to The Hunter College Foundation, 695 Park Avenue, Room E1314, New York, NY 10065. Please make your check payable to The Hunter College Foundation, with "2021 Senior Legacy Gift" on the memo line.

We may not be together on campus, but we are united in spirit as we share a great sense of achievement and a powerful determination to care for the future.

Congratulations, classmates!

The 2021 Senior Legacy Gift Committee
