HUNTER

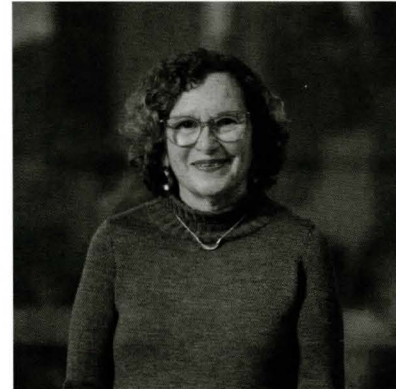

The City University of New York

Greetings from the President

June 4, 2026

Dear graduates, family, friends, faculty, staff, and supporters of all kinds,

Welcome, Hunter family, to this joyous celebration! Years of hard work are encapsulated in this moment — for you, our amazing graduates, to be sure, but also for everyone who has stood with you empathizing through the challenges and reveling in the triumphs, believing all the while that you would arrive at this day.

We marvel at you for the myriad ways you have grown in your knowledge, your professionalism, and your humanity, learning new disciplinary languages of expression — from the arts and humanities to the sciences, education, social work, nursing and health professions — while also learning deeply about each other and how to bring diverse worlds, world views, identities, and lived experiences to the table, whether in classrooms, labs, and studios or in libraries, lounges, and bleachers.

While you've been doing that, whether collaborating with classmates or with professionals, creatives, corporate mentors, nonprofit leaders, or public servants across our city, you've been honing exactly the habits of mind and habits of the heart that our world desperately needs more of right now. Your shared experiences on campus and in the community exemplify what it means for global diasporas to meet, engage, share expertise generously, and weave a community out of threads from every corner of the world. You've been practicing the basic human empathy that it takes for each of us to feel seen and for our diverse communities to thrive, safeguarding voice for all in the interest of collective success — which is precisely what it also takes to strengthen democracy and build a more peaceful and just world.

As you use your newly earned degree to open doors to new opportunities and pour your full selves into every new challenge you face, we will continue to stand by you, believe in you, and revel with you in every new triumph to come!

Congratulations!

Cordially,

Nancy Cantor

Jane Fonda

Jane Fonda is a two-time Academy Award-winning actor, producer, author, activist, and fitness guru. Her career has spanned over 50 years, accumulating a body of film work that includes more than 50 films and significant contributions to political causes such as women's rights, Indigenous rights, and environmental protection. She is a seven-time Golden Globe® winner and was honored with the Cecil B. DeMille Award in 2021. She accepted The Harry Belafonte Voices for Social Justice Award at the 2023 Tribeca Film Festival. In April of 2024, Fonda accepted the TIME Magazine Earth Award. She also received the SAG Life Achievement Award in February 2025.

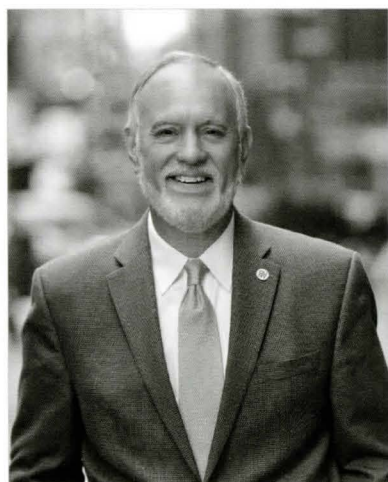

She lent her voice to 'Grandmama' in DreamWorks' animated film *Ruby Gillman, Teenage Kraken*. Before that, Fonda starred in Focus Features' *Book Club 2*, Paramount Pictures' *80 for Brady*, and Paul Weitz for Roadside Attraction's *Moving On*. Other notable credits include *Grace & Frankie*, Netflix's longest-running original series, for which she received an Emmy nomination. She also released *Jane Fonda in Five Acts*, a documentary for HBO chronicling her life and activism.

Fonda continues to fight for social justice via her relaunch of The Committee for the First Amendment, rallying figures of all fields to stand up for our first amendment rights. She also leads the charge on the climate emergency via Fire Drill Fridays, the national movement to protest government inaction on climate change, which she started in October 2019 in partnership with Greenpeace USA. In 2022, she launched the Jane Fonda Climate PAC, focused on defeating political allies of the fossil fuel industry. Her latest book, *What Can I Do? My Path From Climate Despair to Action*, details her personal journey with the movement and provides solutions for communities to combat the climate crisis. Notably, Jane celebrated her 85th birthday by raising \$1 million for her nonprofit, the Georgia Campaign for Adolescent Power & Potential (GCAPP).

Honorary Degree Recipient (Awarded Posthumously)

Leonard A. Lauder

Leonard A. Lauder

Leonard A. Lauder (1933–2025), a visionary business leader, humanitarian, art collector, and philanthropist, was a cherished friend and generous benefactor of Hunter College and the devoted husband of our late alumna Evelyn Hausner Lauder HCHS '54, HC '58, DHL '04. In recognition of his extraordinary legacy and enduring impact on the college and beyond, Hunter College is proud to honor him posthumously.

Chairman emeritus of The Estée Lauder Companies, Mr. Lauder grew up in New York City and deeply valued the opportunities it gave him and Evelyn, who died in 2011. Evelyn Lauder, previously honored by her proud alma mater, founded the Breast Cancer Research Foundation in 1993 and was co-creator of the pink ribbon.

Mr. Lauder made a profound impact on Hunter through his groundbreaking gifts to its programs in nursing, public health, and the arts. As he wrote, “New York City has meant the world to my family — my children, my parents and grandparents made their lives here — and to me, and Hunter is part of our New York City story.”

In 2022, he established the Evelyn Lauder Community Care Nurse Practitioner Program — the largest gift in Hunter’s history — strengthening advanced nursing education and preparing healthcare leaders to serve New York City’s most vulnerable communities. His philanthropy also established nursing scholarships, and supported and enhanced faculty, recruiting, research and technology — continuing his and Evelyn’s shared commitment to expanding access to high-quality healthcare.

A distinguished art collector, Mr. Lauder believed in the importance of public access to art and museums. He was equally devoted to the arts at Hunter, supporting curatorial studies, graduate education, and exhibitions that enrich the academic life of the college and the cultural life of the city.

In 2023, Mr. Lauder established the Leonard A. Lauder Exhibition and Catalogue Fund and a scholarship fund for graduate students in Art History. The fund — now renamed for Hunter College Professor Emerita Emily Braun, Curator, The Leonard A. Lauder Collection — provides support for exhibitions and catalogues published in connection with exhibitions held at the Hunter College Art Galleries as part of Hunter’s Advanced Certificate in Curatorial Studies Program. The fellowship provides full academic tuition annually for selected graduate students enrolled in the master’s program of art history.

Leonard A. Lauder exemplified Hunter College’s motto, *Mihi cura futuri* — the care of the future is mine. In honoring him posthumously, we celebrate a life of remarkable generosity, civic purpose, and enduring faith in public education.
