SCOPE AND CONTENT NOTE

The Research Administration Office of Hunter College has been around since the 1960's. The

central aim of this office has been to announce, solicit, and match the interests of administrators and faculty of the College to the wide variety of grants and contracts that are available for research projects. This office has also provided support and advice to researchers preparing proposals for all types of grants, whether they are novices or an old hand seeking project-specific funding.

This collection includes copies of *Grants Update*, 1979 - 2012 and the Annual Report of Grants and Contracts, 1970, 1984 - 2014. The reports are arranged alphabetically by surname, while the publications are arranged chronologically.
