When this morbid first found  
me I thought that  
it was a sad day to be  
a New Yorker however  
I realized that there  
was no shame in  
helping others and  
showing the world  
the type of  
love + affection  
that makes New York  
New York so I  
send all of  
my love  
to the families  
of the injured  
and deceased

We must all remember  
2 stick together + love  
one another  
Because

UNITED WE  
STAND  
BUT  
DIVIDED  
WE  
FALL

WOW!  
I still can't  
believe it. It's like a  
dream. I am an American,  
but now some people look @  
me as a terrorist. This makes  
me sad & angry of those people  
who think "SIKHS" are involved  
in this WAR. Never, we SIKHS  
believe in peace & let other people  
live in peace. My heart goes to  
the people who lost a loved one or  
friends and even turbin SIKHS  
who lost their lives just  
because they "look" like  
BIN LADEN. SHAME ON THOSE  
PEOPLE WHO DID  
THIS. N.Y WILL  
CONTINUE +  
LIVE! 

(Learn how to spell)

For  
All New Yorkers.  
We will get through  
this!

They tested to see if you could hurt.  
They Hate you because you're strong  
They destroyed your beautiful Pelicans.  
because they knew you loved it best  
but I know you will show them  
Not to mess with you again.

They know you are grieving,  
but that you do so out of sorrow  
At least you have a heart and  
you could show how evil they are

We will get through this, New York  
because your people are strong  
we will <sup>get</sup> through this because  
I believe we **can**

They destroyed a part of you,  
but you will show them that  
won't stop you. ~~the~~  
We will get through this  
because God is by ~~your~~ side

You have lost many of your children.  
but we are by your side  
We will get through this because  
In all ~~these~~ <sup>these</sup> there is hope  
To change N.Y. with Patience and Love  
We Love You New York.

Lets make whatever happen on 9/11/01 make us Strong  
and show we still stand together just as the  
twins used to stand us. Show that we are  
still the same and wont stop to there level  
who ever they are. Pray for the people who lost  
someone and thank the once who trying  
there hardest rite now G-D BLESS ALL.

남북은 하나!!!

... And when it is done, and Afghanis,  
Pakistanis, et al. are under the rubble, will  
I have the friends I have lost back? No.  
We will just have more widows and survivors  
asking "Why?"

War, terror - they are both good for no one.

It's astounding to see  
well as other states are coming together  
as one body to help one another in  
such a tragedy.

All we can do now is pray for more  
survivors and comfort the ones in  
pain & sorrow ... much condolences  
for those who have  
lost a loved one.  
♥ Esther.
